5. TERM OF AGREEMENT

This agreement shall commence July 1, 2026, and shall terminate on June 30, 2029, unless terminated in accordance with section 6 below.

6. TERMINATION OF AGREEMENT

If Butte fails to perform his/her duties to the satisfaction of Tehama, or if Butte fails to fulfill in a timely and professional manner his/her obligations under this agreement, or if Butte violates any of the terms or provisions of this agreement, then Tehama shall have the right to terminate this agreement effective immediately upon Tehama giving written notice thereof to Butte. Either party may terminate this agreement on 30 days' written notice. Tehama shall pay Butte for all work satisfactorily completed as of the date of notice. Tehama may terminate this agreement immediately upon oral notice should funding cease or be materially decreased or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year.

Tehama's right to terminate this agreement may be exercised by the Health Services Agency's Executive Director.

7. ENTIRE AGREEMENT; MODIFICATION

This agreement for the services specified herein supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Butte shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Butte specifically acknowledges that in entering into and executing this agreement, Butte relies solely upon the

provisions contained in this agreement and no other oral or written representation.

8. NONASSIGNMENT OF AGREEMENT

Inasmuch as this agreement is intended to secure the specialized services of Butte, Butte may not assign, transfer, delegate or sublet any interest herein without the prior written consent of Tehama.

9. EMPLOYMENT STATUS

Butte shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow Tehama to exercise discretion or control over the professional manner in which Butte performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Butte shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of Tehama is to ensure that the services shall be rendered and performed in a competent, efficient, and satisfactory manner. Butte shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Butte, if Butte were an employee of Tehama. Tehama shall not be liable for deductions for any amount for any purpose from Butte's compensation. Butte shall not be eligible for coverage under the County of Tehama's Workers Compensation Insurance Plan nor shall Butte be eligible for any other County of Tehama benefit.

10. INDEMNIFICATION

Butte shall defend, hold harmless, and indemnify Tehama, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of Tehama), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of Tehama) being damaged, arising out of Butte's performance of work hereunder or its failure to comply with any of its obligations contained in this agreement, whether by negligence or otherwise. Butte shall, at its own expense, defend any suit or action founded upon a claim of the foregoing. Butte shall also defend and indemnify Tehama against any adverse determination

made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency against Tehama with respect to Butte's "independent contractor" status that would establish a liability for failure to make social security or income tax withholding payments, or any other legally mandated payment.

11. INSURANCE

Butte shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

12. PREVAILING WAGE

Butte certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the Services hereunder are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Butte agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, Tehama shall maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office and shall make this information available to any interested party upon request. Butte shall defend, indemnify, and hold Tehama, its elected officials, officers, employees, and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of Butte or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Butte specifically acknowledges that Tehama has not affirmatively represented to Butte in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work." To the fullest extent permitted by law, Butte hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Butte acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide

that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Butte acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13. NON-DISCRIMINATION

Butte shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

14. GREEN PROCUREMENT POLICY

Through the Tehama County Resolution No. 2021-140, Tehama adopted the Recovered Organic Waste Product Procurement Policy (available upon request) to (1) protect and conserve natural resources, water and energy; (2) minimize the jurisdiction’s contribution to pollution and solid waste disposal; (3) comply with state requirements as contained in 14 CCR Division 7, Chapter 12, Article 12 (SB 1383); (4) support recycling and waste reduction; and

(5) promote the purchase of products made with recycled materials, in compliance with the California Integrated Waste Management Act of 1989 (AB 939) and SB1382 when product fitness and quality are equal, and they are available at the same or lesser cost of non-recycled products. Butte shall adhere to this policy as required therein and is otherwise encouraged to conform to this policy.

15. COMPLIANCE WITH LAWS AND REGULATIONS

All services to be performed by Butte under to this Agreement shall be performed in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations. Any change

those provided by Butte, or to perform such services with Tehama's own forces, as Tehama desires.

20. STANDARDS OF THE PROFESSION

Butte agrees to perform its duties and responsibilities pursuant to the terms and conditions of this agreement in accordance with the standards of the profession for which Butte has been properly licensed to practice.

21. LICENSING OR ACCREDITATION

Where applicable the Butte shall maintain the appropriate license or accreditation through the life of this contract.

22. RESOLUTION OF AMBIGUITIES

If an ambiguity exists in this Agreement, or in a specific provision hereof, neither the Agreement nor the provision shall be construed against the party who drafted the Agreement or provision.

23. NO THIRD-PARTY BENEFICIARIES

Neither party intends that any person shall have a cause of action against either of them as a third-party beneficiary under this Agreement. The parties expressly acknowledge that is not their intent to create any rights or obligations in any third person or entity under this Agreement. The parties agree that this Agreement does not create, by implication or otherwise, any specific, direct, or indirect obligation, duty, promise, benefit and/or special right to any person, other than the parties hereto, their successors and permitted assigns, and legal or equitable rights, remedy, or claim under or in respect to this Agreement or provisions herein.

24. HARASSMENT

Butte agrees to make itself aware of and comply with Tehama's Harassment Policy, TCPR §8102: Harassment, which is available upon request. Tehama shall not tolerate or condone harassment, discrimination, retaliation, or any other abusive behavior. Violations of this policy may cause termination of this agreement.

25. ELECTORNIC SIGNATURES

Each Party of this Agreement agrees to the use of electronic signatures, such as digital signatures

that meet the requirements of the California Uniform Electronic Transactions Act (“CUETA”) Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The Parties further agree that the electronic signatures of the Parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among Parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the Parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code.

26. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

BUTTE acknowledges that it is a “health care provider” for purposes of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations.

BUTTE agrees to use individually identifiable healthcare information obtained from TEHAMA only for purposes of providing diagnostic or treatment services to patients.

BUTTE agrees to report to TEHAMA any security incident or any use or disclosure of PHI (in any form) not provided for by this Agreement. Security incidents include attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system. BUTTE shall make this report by the next business day following discovery of the use, disclosure, or security incident.

27. GENERATIVE ARTIFICIAL INTELLIGENCE (GenAI)

Butte shall notify Tehama in writing if services or any work under this Contract includes or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Butte shall immediately notify Tehama of any new or previously unreported GenAI technology. At direction of Tehama, Butte shall discontinue the use of any

new or previously used GenAI technology that materially impacts functionality, risk, or contract performance until use of such GenAI technology has been approved by Tehama. Failure of Butte to disclose past or present GenAI use to Tehama may be considered breach of contract by Tehama at its sole discretion. Tehama is entitled to seek any and all relief to which it may be entitled as a result of such non-disclosure. Tehama reserves the right to amend this Contract, without additional cost, to incorporate additional GenAI Special Provisions into this Contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to Tehama.

28. ADA TITLE II WEB AND MOBILE ACCESSIBILITY COMPLIANCE

Butte shall ensure all digital content, products, and services provided under this Contract, including, but not limited to, web content, websites, web-based systems, mobile applications, electronic documents, multimedia content, and any third-party digital materials provided or integrated by Butte, comply with Title II of the Americans with Disabilities Act (ADA) (42 U.S.C. § 12131 et seq.), 28 CFR Part 35, and all applicable U.S. Department of Justice regulations. Effective April 24, 2026, all such digital content shall conform to the Web Content Accessibility Guidelines (WCAG) Version 2.1, Level AA, as published by the World Wide Web Consortium (W3C), or any successor standard formally adopted by the U.S. Department of Justice. Compliance shall include accessibility for individuals with disabilities, including those with visual, auditory, physical, speech, cognitive, and neurological disabilities and compatibility with commonly used assistive technologies. Butte shall be responsible for the accessibility compliance of all subcontractors, vendors, and third-party platforms used in performance of this Contract. Upon request, Butte shall provide Tehama written assurance, testing results, or other documentation demonstrating compliance. INSURANCE REQUIREMENTS FOR CONTRACTOR

Contractor shall procure and maintain, for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work described herein and the results of that work by Contractor, his/her agents, representatives, employees, or subcontractors. At a minimum, Contractor shall maintain the insurance coverage, limits of coverage and other insurance requirements as described below.

Commercial General Liability (including operations, products and completed operations) \$1,000,000 per occurrence for bodily injury, personal injury, and property damage. If coverage is subject to an aggregate limit, that aggregate limit will be twice the occurrence limit, or the general aggregate limit shall apply separately to this project/location.

Automobile Liability

Automobile liability insurance is required with minimum limits of \$1,000,000 per accident for bodily injury and property damage, including owned and non-owned and hired automobile coverage, as applicable to the scope of services defined under this agreement.

Workers' Compensation

If Contractor has employees, he/she shall obtain and maintain continuously Workers' Compensation insurance to cover Contractor and Contractor's employees and volunteers, as required by the State of California, as well as Employer's Liability insurance in the minimum amount of \$1,000,000 per accident for bodily injury or disease.

Professional Liability (Contractor/Professional services standard agreement only) If

Contractor is a state-licensed architect, engineer, contractor, counselor, attorney, accountant, medical provider, and/or other professional licensed by the State of California to practice a profession, Contractor shall provide and maintain in full force and effect while providing services pursuant to this contract a professional liability policy (also known as Errors and Omissions or Malpractice liability insurance) with single limits of liability not less

than \$1,000,000 per claim and \$2,000,000 aggregate on a claims made basis. However, if coverage is written on a claims-made basis, the policy shall be endorsed to provide coverage for at least three years from termination of agreement.

If Contractor maintains higher limits than the minimums shown above, County shall be entitled to coverage for the higher limits maintained by Contractor.

All such insurance coverage, except professional liability insurance, shall be provided on an “occurrence” basis, rather than a “claims made” basis.

Endorsements: Additional Insureds

The Commercial General Liability and Automobile Liability policies shall include, or be endorsed to include “Tehama County, its elected officials, officers, employees and volunteers” as an additional insured.

The certificate holder shall be “County of Tehama.”

Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions of \$25,000 or more must be declared to, and approved by, the County. The deductible and/or self-insured retentions will not limit or apply to Contractor’s liability to County and will be the sole responsibility of Contractor.

Primary Insurance Coverage

For any claims related to this project, Contractor’s insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of Contractor’s insurance and shall not contribute with it.

Coverage Cancellation

Each insurance policy required herein shall be endorsed to state that “coverage shall not be reduced or canceled without 30 days’ prior written notice certain to the County.”

Acceptability of Insurers

Contractor's insurance shall be placed with an insurance carrier holding a current A.M. Best & Company's rating of not less than A:VII unless otherwise acceptable to the County. The County reserves the right to require rating verification. Contractor shall ensure that the insurance carrier shall be authorized to transact business in the State of California.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance that meets all the requirements stated herein.

Material Breach

If for any reason, Contractor fails to maintain insurance coverage or to provide evidence of renewal, the same shall be deemed a material breach of contract. County, in its sole option, may terminate the contract and obtain damages from Contractor resulting from breach.

Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

Policy Obligations

Contractor's indemnity and other obligations shall not be limited by the foregoing insurance requirements.

Verification of Coverage

Contractor shall furnish County with original certificates and endorsements affecting coverage required herein. All certificates and endorsements shall be received and approved by the County prior to County signing the agreement and before work commences.

However, failure to do so shall not operate as a waiver of these insurance requirements.

The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.
