The EO directs state agencies to terminate contracts and grants with, and to refrain from entering any new contracts and grants with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine that Grantee is a target of Economic Sanctions or is knowingly conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Grant Agreement pursuant to the terms of this Grant Agreement.

14. Fiscal management systems and accounting standards: The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracing of grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of federal, State, or local law or this Grant Agreement. Unless otherwise prohibited by law, the Grantee further agrees that it will maintain separate Project accounts in accordance with generally accepted accounting principles.

15. Force majeure: Neither CARB nor the Grantee must be liable for or deemed to be in default for any delay or failure in performance under this Grant Agreement or interruption of services resulting, directly or indirectly, from acts of God, enemy or hostile governmental action, civil commotion, strikes, government orders, national or state declared pandemics, lockouts, labor disputes, fire, flood, earthquakes or other physical natural disaster. If either party intends to invoke this clause to excuse or delay performance, the party invoking the clause must provide written notice to the other party immediately but no later than within fifteen (15) calendar days of when the force majeure even occurs and reasons that the force majeure event is preventing that party from or delaying that party in performing its obligations under this Grant. CARB may terminate this Grant Agreement immediately in writing without penalty in the event Grantee invokes this clause.

If the Grant Agreement is not terminated by CARB pursuant to this clause, upon

completion of the event of force majeure, the Grantee must as soon as reasonably practicable recommence the performance of its obligations under this Grant Agreement. The Grantee must also provide a revised schedule to minimize the effects of the delay caused by the event of force majeure. An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event.

16. Funding Prohibitions for Sectarian Purposes and Non-Public Schools:

Grantee and Grant Recipients may use or authorize the use of CARB-provided funds only in any manner that is consistent with applicable laws, including California Constitution, article XVI, section 5, and article IX, section 8 (prohibiting grant fund awards to non-public schools), and federal law. CARB reserves the right to obtain additional information from Grantee and others to determine compliance with the California Constitution, article XVI, section 5, and article IX, section 8. Failure by Grantee to provide any information requested by CARB may result in denial of Grant Funds or termination of this Grant Agreement pursuant to the terms of this Grant Agreement.

17. GenAI Technology Use and Reporting:

i. Definitions:

1. “Generative AI (GenAI)” means “an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system's training data.” (Gov. Code § [11549.64](#).)
2. “Deliverable” means “software, services, goods, works of authorship, and any other items (e.g., reports, documentation) to be delivered pursuant to this Grant Agreement, including any incidental items.”

ii. Grantee must notify CARB in writing, within 15 days, or a longer period agreed to by CARB, and require their contractors or subcontractors to notify CARB in writing in the same timeframe, if they:

- (1) Intend to provide GenAI as a deliverable to CARB; or,
- (2) Intend to utilize any previously unreported GenAI, including GenAI from third parties, to complete all or a

portion of any deliverable that materially impacts:

- (i) Functionality of a State system;
- (ii) Risk to the State; or,
- (iii) Performance under this Grant Agreement.

For avoidance of doubt, the term “materially impacts” shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

- iii. Notification shall be provided to CARB’s project liaison identified in this Grant Agreement.
- iv. At the direction of CARB, Grantee shall discontinue, and require their contractors or subcontractors to discontinue, the provision to CARB of any previously unreported GenAI that results in a material impact to the functionality of a State system, risk to the State, or Grant performance, as determined by CARB.
- v. If the use of previously undisclosed GenAI is approved by CARB, then upon request by CARB, Grantee will amend the Grant Agreement accordingly, and their related agreements with Grant Recipients, which may include incorporating the [GenAI Special Provisions](#) into these agreements, at no additional cost to the State.

CARB, at its sole discretion, may consider Grantee’s failure to disclose or discontinue the provision or use of GenAI as described above, or to incorporate terms as requested in this section into their agreements with contractors or subcontractors, to constitute a material breach of the Grant Agreement when such failure results in a material impact to the functionality of the system, risk to the State, or Grant performance. CARB is entitled to seek any and all remedies available to it under law as a result of such breach, including but not limited to termination of the Grant Agreement pursuant to the terms stated herein.

18. Governing law and venue: This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. CARB and the Grantee hereby agree that any action arising out of this Grant Agreement shall be filed and maintained in the Superior Court in and for the County of Sacramento, California, or in the United States District Court in and for the Eastern District of California. The Grantee hereby waives any existing sovereign

immunity for the purposes of this Grant Agreement.

19. Grantee's responsibility for work: The Grantee shall be responsible for work and for persons or entities engaged in work, including, but not limited to, contractors, subcontractors, suppliers, and providers of services. The Grantee must be responsible for any and all disputes arising out of its contract for work on the Project, including, but not limited to, payment disputes with contractors, subcontractors, and providers of services. The State will not mediate disputes between the Grantee and any other entity concerning responsibility for performance or payment of work.

Indemnification: The Grantee agrees to indemnify, defend, and hold harmless the State and the Board and its officers, employees, agents, representatives, and successors-in-interest against any and all liability, loss, and expense, including reasonable attorneys' fees, from any and all claims for injury or damages arising out of the performance by the Grantee, and out of the operation of equipment that is purchased with funds from this Grant Award.

Grantee shall ensure that the evaluation and treatment of its employees and applicants for employment are free of such discrimination and harassment. Grantee shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, title 2, section 11000 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code section 12990 (a)-(f), set forth in Chapter 5 of Division 4.1 of title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

During the performance of this Grant, Grantee shall comply with the provisions of California Government Code section 11135; Title VI of the U.S. Civil Rights Act of 1964; Section 504 of the federal Rehabilitation Act of 1973; the federal Age

Grantee shall give written notice of their respective obligations under this clause to labor organizations with which any may have a collective bargaining or other agreement.

Grantee shall permit access by representatives of the California Civil Rights Department, CARB, or U.S. Environmental Protection Agency (U.S. EPA) upon reasonable notice to access all sources of information as required to ascertain compliance with this clause.

Grantee acknowledges and agrees that, pursuant to Government Code section 11136, whenever CARB has reasonable cause to believe that Grantee or any of its subgrantees, contractors, or subcontractors has violated any of the provisions of Government Code section 11135 or section 12900 et seq., or any of the provisions of California Civil Code sections 51, 51.5, 51.7, 54, 54.1, or 54.2, or any regulation adopted to implement these sections or Article 1 (commencing with Government Code section 12960) of Chapter 7 of the Government Code, then CARB will notify Grantee or, where applicable, the subgrantee, contractor, or subcontractor, of such violation and will submit a complaint detailing the alleged violations to the California Civil Rights Department for investigation and determination pursuant to Government Code sections 11136 and 12960 et seq.

Grantee acknowledges that CARB's Civil Rights Policy applies to this Grant Agreement and CARB will administer this Grant consistent with such policy. The policy may be found at:

<https://ww2.arb.ca.gov/california-air-resources-board-and-civil-rights>.

Grantee shall include the provisions of this Nondiscrimination Section in all contracts, subcontracts, and agreements where work is performed to fulfill any term or condition of this Grant Agreement. Grantee shall notify CARB if it

becomes aware that a subgrantee, contractor, or subcontractor has violated the provisions of this Section and take appropriate remedial action as required by law or by CARB.

23. Office Of Foreign Asset Control: Transactions may be or are prohibited if they involve the property or interests in property of an entity or individual listed on the Office of Foreign Asset Control (OFAC) targeted lists. OFAC publishes lists of targeted individuals, groups, and entities, which can be found at <https://home.treasury.gov/policy-issues/office-of-foreign-assets-control-sanctions-programs-and-information>. Grantee shall include in all recipient agreements an acknowledgment that the Grant Recipient and its agents and property are not in violation of any federal law pertaining to any entity or individual listed on any of the OFAC lists. Grantee shall notify CARB within 15 calendar days if it has knowledge that Grantee or any Grant Recipient is in violation of any federal law pertaining to any entity or individual listed on any of the OFAC lists.

Grantee shall require subgrantees, contractors, or subcontractors to grant CARB similar license rights to the extent such entities have the right to do so.

If applicable, the Grantee shall monitor all agreements subject to reimbursement from this Grant Agreement to ensure that the provisions of Labor Code Sections 1720-1861 are being met.

28. Professionals: For projects involving installation or construction services, the Grantee agrees that only licensed professionals will be used to perform services under this Grant Agreement where such services are called for and licensed professionals are required for those services under State law.
