Indicate whether the applicant's formal, written Procurement Policy or the Federal Acquisition Regulation is followed. Applicants are encouraged to promote free and open competition in awarding procurement contracts. Please provide a specific description for each item, and explain how the item supports the project goals and objectives outlined in your application. Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Please provide a specific description for each item, and explain how the item supports the project goals and objectives outlined in your application. Please visit <https://cops.usdoj.gov/grants> for a list of allowable and unallowable costs for this program.

Instructions

Procurement contracts (see "Contract" definition at 2 CFR 200.1): Provide a description of the product or service to be procured by contract and an estimate of the cost. Indicate whether the applicant's formal, written Procurement Policy or the Federal Acquisition Regulation is followed. Applicants are encouraged to promote free and open competition in awarding procurement contracts. Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Written prior approval and additional justification is required for consultant fees in excess of the DOJ grant-making component's threshold for an 8-hour day.

Other Direct Costs

Instructions

For example, provide the square footage and the cost per square foot for rent, or provide a monthly rental cost and how many months to rent. All requested information must be included in the budget detail worksheet and budget narrative.

Indirect Costs

Instructions

Indirect costs are allowed only if: a) the applicant has a current, federally approved indirect cost rate; or b) the applicant is eligible to use and elects to use the “de minimis” indirect cost rate described in 2 C.F.R. 200.414(f). (See paragraph D.1.b. in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals for a description of entities that may not elect to use the “de minimis” rate.) An applicant with a current, federally approved indirect cost rate must attach a copy of the rate approval, (a fully-executed, negotiated agreement). If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant Federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. (Applicant Indian tribal governments, in particular, should review Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals regarding submission and documentation of indirect cost proposals.) All requested information must be included in the budget detail worksheet and budget narrative. In order to use the “de minimis” indirect rate an applicant would need to attach written documentation to the application that advises DOJ of both the applicant’s eligibility (to use the “de minimis” rate) and its election. If the applicant elects the de minimis method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as the applicant entity chooses to negotiate a federally approved indirect cost rate.
