RE: Termination of Water Tender Lease Agreement with Vina Volunteer Fire Department

Dear Vina Volunteer Fire Department,

The Tehama County Fire Department sincerely thanks you for the opportunity to lease your late 1970s model Ford Water Tender, VIN U91TVBA6834, through Miscellaneous Agreement Book #82-1991. During the term of this long-standing agreement, the Vina Water Tender has protected the lives and property of the citizens of this County.

Tehama County Fire is pleased to announce the recent acquisition of two new Tactical Water Tenders which have been put in service effective today. One of the new Tactical Water Tenders has been assigned to the Vina Volunteer Fire Station paving the way for the retirement of your Water Tender. Our long-standing agreement shall terminate 30 days from August 19, 2025. We want to express our appreciation and acknowledge the valuable contribution your equipment has provided to our community for the last 30 plus years.

Sincerely,

Monty Smith
Fire Chief
Tehama County Fire Department
