In some areas, building codes or covenant restrictions regulate portable buildings. I assume responsibility to comply with such regulations if they exist. I agree to provide a level area for the shed (within 6 inches of level). I understand that shed settling after delivery, due to soft ground, is not the responsibility of Sequoia Sheds. By signing below, I indicate that I have reviewed and am satisfied with the price and design of my shed, agree to the terms above, and that any changes in design or options may result in extra charges.
