Re: Employee Travel Reimbursement

Resolution #2016-67, adopted by the Board of Supervisors on September 20, 2016 established "...the mileage reimbursement rate shall be adjusted on July 1st of each year to equal the Internal Revenue Service rate on March 1st of that year, except in those instances in which the IRS standard mileage reimbursement rate decreases, in which case the decrease shall be effective on the date determined by the IRS."

The IRS rate on January 1, 2025 was set at 70 cents per mile.

Currently, the rate is set at 67 cents per mile. That rate will be in effect through June 30, 2025, increasing on July 1, 2025, to 70 cents.

Resolution #2019-71, adopted by the Board of Supervisors on June 4, 2019, established per diem meal rates and conditions for meal reimbursement for *general employee travel effective July 1, 2019. The per diem amounts are to be equal to the GSA low rate for California on March 1st of the current year.

The per diem amounts for FY 2025-26 are as follows:

Breakfast	\$16.00
Lunch	\$19.00
Dinner	\$28.00
Incidental Expenses (per night)	<u>\$ 5.00</u>
Total	\$68.00

The total per diem rate for meals is currently \$54 through June 30, 2025. The rates for Fiscal Year 2025-26, including the Incidental Expense is \$68.00. The total per diem for meals will be \$63.00 through June 30, 2026.

Employees are eligible for the Incidental Expense allowance with an overnight stay only.

*Certain elected officials, Supervisors and Commissioners (Resolution 2016-58), and Transporters (Resolution 2017-42) have separate reimbursement policies.
