Tehama County

Agenda Request Form

File #: 25-0622

Agenda Date: 4/15/2025

Agenda #: 1.

ENVIRONMENTAL HEALTH / CODE ENFORCEMENT

Requested Action(s)

a) DONATION - Request the acceptance of a \$25,000 donation from the Major Crimes Board and the matching of County funds in the amount of \$25,000

Financial Impact:

Request for the matching funds of \$25,000 to serve as a seed capital for initiating the program. Going forward, the program will be self-sustaining through reimbursement from abatement cases, which are invoiced, liened according to current procedures and reinvested into this fund.

Background Information:

One of the Tehama County Code Enforcement's goals is to abate unsafe and dangerous buildings and eliminate visual blight throughout the County. In order to effectively respond to citizens complaints and abate nuisances throughout the County sufficient funding needs to be allocated to Tehama County Environmental Health and Code Enforcement Department. On November 13, 2024, the Major Crimes Board (Anti-gang/Anti-frug Board) met and unanimously voted to contribute \$25,000 to the Tehama County Environmental Health/Code Enforcement Department for the purposes of remediating parcels in violation of County codes that are associated with gang or drug activity, only IF we could secure additional funding to match the initial \$25,000 donation, from the Board of Supervisors. This is a project that is supported not only by the TC Sheriff's Department, and the District Attorney's office, but also by the Building Department and the Public Guardian/Public Administrator as all departments are negatively affected by these types of properties.
