Special  
3:00PM

## AGENDA FOR MONDAY, JUNE 8, 2026

---

This meeting conforms to the Brown Act Open Meeting Requirements in that action and deliberations of the Tehama County Solid Waste Management Agency created to conduct the people's business are taken openly and that the people remain fully informed about the conduct of its business. Public Forum - Any member may address and ask questions of the agency relating to any matter within the jurisdiction, provided the matter is not on the Agency's agenda or pending before the Agency. All items posted on the agenda may be acted upon by the Board of Directors. However, no action or discussion shall be undertaken on any item not appearing on the posted agenda unless the action is an off-agenda emergency or as otherwise provided in Government Code §54954.2.

No action may be taken on any item not appearing on the agenda unless the action is otherwise authorized by the Government Code Section 54954.2(B). Typically, this applies to items meeting criteria as an off-agenda emergency. The Chair reserves the right to limit each Public Comment speaker to three (3) minutes. Disclosure of a speaker's identity is purely voluntary during the public comment period.

**Board Matters**

Board Matters is an opportunity for one Board member to present a topic to the Board of Directors and Agency staff, and allow the Board of Directors to express consensus that staff should be directed to address the issue and bring it back to the full Board of Directors as an agenda item. This is not a time for the Board to address the merits or express their opinions on the issue but solely to decide if staff should expend resources in researching and preparing documents for consideration at a public board meeting.

In compliance with the Americans with Disabilities Act, the Tehama County Solid Waste Management Agency will make available to members of the public any special assistance necessary to participate in this meeting. The public should contact the Agency Manager's office (530-528-1103) to make such a request. Notification 72 hours prior to the meeting will enable the Agency to make reasonable arrangements to ensure accessibility to this meeting.

**This is an Equal Opportunity Program. Discrimination is prohibited by Federal Law. Complaints of discrimination may be filed with the Secretary of Agriculture, Washington, D.C. 20250.**

### Executive Committee Meeting Schedule Resolution

**Requested Action(s)**

Resolution No. 6.08.2026.1 - Request adoption of the resolution establishing the Executive Committee meeting location.

**Financial Impact:**

None.

**Background Information:**

Per the Agency's JPA agreement, the Executive Committee shall pass a resolution establishing its regular meeting schedule. Regular meetings of the Tehama County Solid Waste Management Agency Executive Committee are currently held on the first Thursday of the month in months where the Full Board does not meet, at 3:00 PM, as such:

February	Corning City Council Chambers
March	Agency Administrative Office
May	Agency Administrative Office
June	Corning City Council Chambers
August	Agency Administrative Office
September	Agency Administrative Office
November	Corning City Council Chambers
December	Agency Administrative Office

Senate Bill 707 (Durazo) requires changing the meeting location to accommodate remote access for the public to participate via telephone or audiovisual platforms. The attached resolution reflects this change by holding all meetings at the Board Chambers where the Full Board meetings are held. Additionally, if the Executive Committee desires to hold a meeting outside of the regular meeting time determined, the Executive Committee can request the alternative times and locations. However, such meetings would be considered special meetings and not necessitate inclusion in the resolution.

**RESOLUTION NO. 6.08.2026.1**

**RESOLUTION OF THE TEHAMA COUNTY SOLID WASTE MANAGEMENT AGENCY ESTABLISHING THE EXECUTIVE COMMITTEE MEETING SCHEDULE**

**WHEREAS**, the Joint Powers Agreement (JPA) creating the Tehama County Solid Waste Management Agency (TCSWMA) provides that Executive Committee meetings “shall be as determined by the Executive Committee immediately following their appointment and shall be evidenced by the adoption of a resolution of the Executive Committee so as to establish a regular meeting schedule and location.”

**WHEREAS**, the Executive Committee desires and intends the meeting location, time and frequency, all as set forth below.

**NOW, THEREFORE, BE IT RESOLVED** that the Executive Committee shall meet at the following location, time, and frequency:

The Executive Committee shall hold its regular meetings on the first Thursday, at 3:00 PM, on the following months at the place so stated:

February:	Board Chambers 727 Oak Street Red Bluff, CA 96080
March:	Board Chambers 727 Oak Street Red Bluff, CA 96080
May:	Board Chambers 727 Oak Street Red Bluff, CA 96080
June:	Board Chambers 727 Oak Street Red Bluff, CA 96080
August:	Board Chambers 727 Oak Street Red Bluff, CA 96080
September:	Board Chambers 727 Oak Street Red Bluff, CA 96080
November:	Board Chambers 727 Oak Street Red Bluff, CA 96080
December:	Board Chambers 727 Oak Street Red Bluff, CA 96080

**I HEREBY CERTIFY** that the foregoing **RESOLUTION** was duly introduced, passed and adopted at a meeting of the Board of Directors Executive Committee of the Tehama County Solid Waste Management Agency, held on the 8<sup>th</sup> day of June, 2026, by the following vote:

AYES: \_\_\_\_\_

NOES: \_\_\_\_\_

### Agency-supported Legislation Update

#### Requested Action(s)

This item is for informational purposes only. No further action is required.

#### Financial Impact:

None.

#### Background Information:

Below is a list of bills the Agency has supported and where they currently stand.

##### AB 762 (Irwin and Wilson) - Disposable (single-use) Vape Ban

This bill would ban the sale of disposable (single-use) vapes in California to address toxic waste and fire hazards from lithium-ion batteries. The bill passed the Assembly with a vote of 50-17 on January 29, 2026, and is now in the Senate Rules Committee for assignment. Staff will continue to monitor the progress of this bill.

##### SB 501 (Allen) - Responsible Battery Recycling Act of 2022: covered batteries

This bill was amended to no longer apply to all household hazardous waste (HHW) and instead to fix an issue with another law, the Responsible Battery Recycling Act of 2022. That law excluded batteries weighing over 5 kilograms or 300 watt-hours from the definition of a covered battery. The bill would remove the exclusions from the definition of a covered battery for a primary battery and a rechargeable battery and categorize all covered batteries as either a small format battery or a medium format battery. This bill would instead require the stewardship plan to describe how the producer or stewardship organization will provide a certain number of collection sites for small format batteries and medium format batteries, as specified. The bill was recently referred to the Senate Committees on Environmental Safety and Toxic Materials and Natural Resources on May 4, 2026. Staff will continue to monitor the progress of this bill.

##### SB 936 (Blakespear) - Nitrous Oxide Ban

Senate Bill 936 bans the sale of nitrous oxide, which is widely used as an illicit recreational inhalant. Aside from serious public health and safety impacts associated with its illicit use as a party drug, large nitrous oxide cylinders are a growing and expensive waste management problem. The bill recently passed the Senate Appropriations Committee on May 14, 2026 with a 7-0 vote, ordered to a third reading, then amended and ordered to a second reading. Staff will continue to monitor the progress of this bill.

##### AB 2667 (Hadwick) - Household Hazardous Waste: vape pens

Assembly Bill 2667 seeks to protect children, young adults, and the public by: 1) Banning disguised vapes and vapes containing video display devices, 2) Providing an easier regulatory pathway for schools to properly dispose of vapes confiscated from students, and 3) Improving the safe collection,

management, and proper disposal of vapes by local household hazardous waste (HHW) collection facilities. The bill recently passed the Assembly Appropriations Committee on May 14, 2026 with a 15-0 vote, then ordered to a second and third reading. Staff will continue to monitor the progress of this bill.
