## MEMO

WELL PUMP DOWN, CONTACT LEVI WHEN ON THE WAY 530-262-3112  
 Work Order #70450-1, 12/05/2024 10:00 AM, 12/05/2024 03:30 PM,  
 Jason Wicks  
 customer had partial ground down the well and partial continuity down  
 the well after pulling customer pump was rubbing up against the casing  
 and rubbed a hole in the drop cable recommended replacing every thing  
 down the well beside drop pipe and installing shroud due to casing is  
 falling apart also need to change out switch and bladder tank also  
 because bladder had 0 psi and pressure switch was burnt up due to  
 bladder being bad after installing everything system is running great at  
 this time

## TERMS & CONDITIONS

Payment is expected upon the provision of services / receipt of goods. If payment is not received in full on any invoice within 15 days, late charges at .8333% interest per month (10% per year) will be imposed on your unpaid balance after 30 days.

It is agreed that the seller (J&J Pumps, Inc) will retain title to any equipment or material furnished until final & complete payment is made, and if settlement is not made as agreed, the seller shall have the right to remove same and the seller will be held harmless for any damages resulting from the removal thereof.
