The allocations set forth in the Maximum Allocations are inclusive of all other expenses. The Maximum Compensation payable under this Agreement shall not exceed \$ 92,209. Contractor shall have no claim against County for payment of any compensation or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Contractor shall not be paid any amount in excess of the Maximum Compensation amount set forth above, and Contractor agrees that County has no obligation, whatsoever, to compensate or reimburse Contractor for any expenses, direct or indirect costs, expenditures, or charges of any nature by Contractor that exceed the Maximum Compensation amount set forth above. Should Contractor receive any such payment it shall immediately notify

County and shall immediately repay all such funds to County. This provision shall survive the expiration or other termination of this Agreement.

4. **BILLING AND PAYMENT**

On or before the 15th of each month, Contractor shall submit to County an itemized invoice (Exhibit E) for all services rendered during the preceding calendar month. County shall make payment of all undisputed amounts within 30 days of receipt of Contractor's invoice. 5. **TIMELY SUBMISSION**

Notwithstanding section #4, Contractor shall submit a final undisputed invoice for payment no more than thirty (30) calendar days following the expiration or termination date of this Agreement. Said invoice should be clearly marked "Final Invoice", thus indicating that all payment obligations of the County under this Agreement have ceased and that no further payments are due or outstanding. County will not honor any delinquent invoice. Contractor will be deemed to have forfeited its right to payment and shall have no claim against County for payment, of any kind whatsoever, for any delinquent invoice.

6. **TERM OF AGREEMENT**

This agreement shall commence on July 1, 2025 and shall terminate June 30, 2026, unless terminated in accordance with section 7 below.

Either party may terminate this agreement on 30 days' written notice. County shall pay contractor for all work satisfactorily completed as of the date of notice. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased, or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year.

The County's right to terminate this agreement may be exercised by the Director, the Chairperson of the Tehama County Board of Supervisors or the Purchasing Agent, as indicated on the signatory page.

8. **ENTIRE AGREEMENT; MODIFICATION**

This agreement for the services specified herein supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no other oral or written representation.

9. **NONASSIGNMENT OF AGREEMENT**

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of the County.

10. **EMPLOYMENT STATUS**

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to insure that the services shall be rendered and performed in a competent, efficient and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Contractor, if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's

Workers Compensation Insurance Plan nor shall Contractor be eligible for any other County benefit.

11. **INDEMNIFICATION**

Contractor shall defend, hold harmless, and indemnify Tehama County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of County), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of County) being damaged, arising out of contractor's performance of work hereunder or its failure to comply with any of its obligations contained in this agreement, whether by negligence or otherwise. Contractor shall, at its own expense, defend any suit or action founded upon a claim of the foregoing. Contractor shall also defend and indemnify County against any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency against the County with respect to Contractor's "independent contractor" status that would establish a liability for failure to make social security or income tax withholding payments, or any other legally mandated payment.

12. **INSURANCE**

Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

13. **PREVAILING WAGE**

Contractor certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the Services hereunder are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable,

County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office, and will make this information available to any interested party upon request. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a “public work.” To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

14. **NON-DISCRIMINATION**

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

Contractor shall adhere to this policy as required therein and is otherwise encouraged to conform to this policy.

EXHIBIT F TIC PLAN

Tehama County Foster Bridge Child Care Provider Trauma-Informed Care (TIC) Training/Coaching

	Activity	Description	Duration
1	Initial Engagement	ELC Provider's contact information for all providers with a Foster Bridge child placed in their care is collected in a spreadsheet to TIC outcomes. This will be used by the Social Services Specialists assigned to engage the providers in TIC, coaching, and support. During Initial Engagement, a Social Services Specialist will attempt to engage each ELC Provider by explaining the program's expectations and benefits. Initial Engagement is completed using the phone, email, and zoom.	3 attempts using multiple methods within 2 weeks of child placement. If not engaged after 3 attempts, one additional engagement attempt must occur within the year.
2	Participation in TIC Training Tidbits	The Social Service Specialists who are TIC trained form our Family and Community Engagement Department serve the families and providers. A private FaceBook Social Learning Group was selected as the platform for sharing the TIC Tidbit Training. This will allow ELC Providers to access small training sections at a time when it works in their schedule rather than trying to attend training after work or on the weekend. We have provided other ELC training this way and have had increased engagement. ELC Providers are provided links and descriptions to each video by their Social Services Specialist. Then all ELC Providers are invited to become members of our Facebook Social Learning Group, which allows them access to training and additional resources. The	21 TIC Training Tidbits available on the private Facebook Social Learning Group/Year

		social learning platform then provides documentation of ELC providers' participation in training. It will be logged into our data tracking spreadsheet.	
3	Coaching via Social Media	The use of FaceBook's Social Learning Group lends itself to other program benefits. This includes using a FaceBook feed to provide additional training and reminders of trauma-informed practices and ideas. Multiple posts are added each month for members of our private group.	A minimum of one post on our private Facebook Feed /week
4	Coaching via Phone/Zoom/Home Visits	To maintain engagement, each ELC provider will be contacted monthly via phone call, Zoom video chat, or home visit by a Social Services Specialist During the coaching meeting, the Social Services Specialist will review the training completed by the provider to ensure their understanding and comfort with implementation. Coaching visits will also promote the completion of all TIC Training Tidbits and a consistent following of posts on Facebook.	Monthly contact with active providers. A minimum of 2 *home visits/year *Only for providers that agree to home visits
5	In-Person TIC Training	In addition to the training listed above, one in-person TIC training will be provided each year.	1 in-person TIC Training
6	Intensive Coaching	ELC Providers may request support and suggestions for specific children in their program or to better implement training strategies. This Intensive Coaching may be provided using phone, zoom, or during a home visit if an observation is required. ELC Providers may request this additional help at any time.	Intensive coaching provided upon request
