

GREEN WASTE OF TEHAMA,  
A WASTE CONNECTIONS COMPANY

October 11, 2024

Mr. John Leach, Chair  
Tehama County Board of Supervisors  
727 Oak Street  
Red Bluff, CA 96080

Dear Mr. Leach:

According to the contract between the County of Tehama and Green Waste of Tehama for Residential and Commercial Waste Management services, Section 5.F states Green Waste will develop and implement an Education Program to be submitted by October 15th for the following calendar year. This year, the annual expectation of outreach education expense for 2025 = \$26,045 (\$24,805 x 5% (CPI))

Some highlights regarding the Education Program for 2025 include:

- Continued digital educational campaign
- "Smart Business Alliance" partnership and rebrand
- "In-truck" waste audits partnering with the Landfill Agency
- Redesigned school presentations

Please see the attached proposed Education Program for the calendar year 2025 for your review and comments.

Thank you,

Max Bartlett  
Recycling Coordinator  
Green Waste of Tehama, A  
Waste Connections Company
