**Board Matters**

Board Matters is an opportunity for one Board member to present a topic to the Board of Directors and Agency staff, and allow the Board of Directors to express consensus that staff should be directed to address the issue and bring it back to the full Board of Directors as an agenda item. This is not a time for the Board to address the merits or express their opinions on the issue but solely to decide if staff should expend resources in researching and preparing documents for consideration at a public board meeting.

In compliance with the Americans with Disabilities Act, the Tehama County Solid Waste Management Agency will make available to members of the public any special assistance necessary to participate in this meeting. The public should contact the Agency Manager's office (530-528-1103) to make such a request. Notification 72 hours prior to the meeting will enable the Agency to make reasonable arrangements to ensure accessibility to this meeting.
