This agreement is entered into between the County of Tehama, through its Health Services Agency, (“County”) and Compassion Pathways Behavioral Health (“Contractor”) for the purpose of residential mental health treatment services and Lanterman Petris Short (LPS) declarations for clients of Tehama County determined by County's Mental Health Division to be in need of such services.

1. RESPONSIBILITIES OF CONTRACTOR

During the term of this agreement, Contractor shall perform services as listed in Exhibit C attached hereto and made a part of this agreement.

Contractor shall be liable for State Department of Health Care Services audit exceptions due to inadequate documentation as per medical necessity requirements and shall reimburse County for any recoupments ordered by the State within sixty (60) days of the date of the State or County’s notice of such recoupment order. If Contractor fails to reimburse County within such period, County may offset the unpaid amount against any sums due from County to Contractor pursuant to this agreement or any other agreement of obligation.

2. RESPONSIBILITIES OF THE COUNTY

County shall compensate Contractor for said services pursuant to Section 3 and 4 of this agreement.

3. COMPENSATION

Contractor shall be paid in accordance with the rates set forth in the Fee Schedule, attached hereto as Exhibit “B” after satisfactorily completing the duties described in this Agreement. The maximum compensation shall not exceed \$1,800,000. Contractor shall not be entitled to payment or reimbursement for any tasks or services performed except as specified herein. Contractor shall have no claim against County for payment of any compensation or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Contractor shall not be paid any amount in excess of the Maximum Compensation amount set forth above, and Contractor agrees that County has no obligation, whatsoever, to compensate or reimburse Contractor for any expenses, direct or indirect costs,

expenditures, or charges of any nature by Contractor that exceed the Maximum Compensation amount set forth above. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. This provision shall survive the expiration or other termination of this Agreement. Board and care shall not be the responsibility of Tehama County under this agreement and shall not be billed under this agreement.

Board and Care shall not be the responsibility of Tehama County under this agreement and shall not be billed under this agreement.

Health care services, including medical ancillary services, such as laboratory, X-ray, or other medical services performed on-site or off-site, and other physical health services, shall not be the responsibility of Tehama County under this agreement and shall not be billed under this agreement.

4. BILLING AND PAYMENT

On or before the 15th of each month, Contractor shall submit to County an itemized invoice for all services rendered during the preceding calendar month. County shall make payment of all undisputed amounts within 45 days of receipt of Contractor's invoice. County shall be obligated to pay only for services properly invoiced in accordance with this section.

Contractor shall use its best efforts to submit all claims for reimbursement under the Agreement within thirty (30) days after the ending date of the Agreement. All claims submitted after thirty (30) days following the ending date of the Agreement will not be subject to reimbursement by the County unless Contractor provides a valid reason for delayed submission. Any "obligation incurred" included in claims for reimbursements and paid by the County which remain unpaid by the Contractor after one year following the ending date of the Agreement will be disallowed under audit by the County.

When, on the basis of retrospective review, it has been determined that Contractor has failed to meet service standards or documentation standards established by the MHP and Title 9, California Code of Regulations, payment will be denied on the basis of audit exception. Payment will not be made on the basis of added, amended, or altered records presented after the date of the retrospective review.

Whenever there is audit exception against the County resulting from a claim for funding for an expenditure by the Contractor that is not allowable, the County may offset reimbursement to the Contractor for the exception.

5. TERM OF AGREEMENT

This agreement shall commence on February 1, 2026, and shall terminate June 30, 2028, unless terminated in accordance with section 6 below.

6. TERMINATION OF AGREEMENT

If Contractor fails to perform his/her duties to the satisfaction of the County, or if Contractor fails to fulfill in a timely and professional manner his/her obligations under this agreement, or if Contractor violates any of the terms or provisions of this agreement, then the County shall have the right to terminate this agreement effective immediately upon the County giving written notice thereof to the Contractor. Either party may terminate this agreement on 30 days' written notice. County shall pay contractor for all work satisfactorily completed as of the date of notice. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year.

The County's right to terminate this agreement may be exercised by the Health Services Agency's Executive Director.

7. ENTIRE AGREEMENT; MODIFICATION

This agreement for the services specified herein supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no other oral or written representation.

8. NONASSIGNMENT OF AGREEMENT

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of the County.

9. EMPLOYMENT STATUS

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to ensure that the services shall be rendered and performed in a competent, efficient, and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Contractor, if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's Workers Compensation Insurance Plan nor shall Contractor be eligible for any other County benefit.

10. INDEMNIFICATION

Contractor shall defend, hold harmless, and indemnify Tehama County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of County), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of County) being damaged, arising out of contractor's performance of work hereunder or its failure to comply with any of its obligations contained in this agreement, whether by negligence or otherwise. Contractor shall, at its own expense, defend any suit or action founded upon a claim of the foregoing. Contractor shall also defend and indemnify County against any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency against the County with respect to Contractor's "independent contractor" status that would establish a liability for failure to make social security or income tax withholding payments, or any other legally mandated payment.

Contractor shall defend and indemnify Tehama County for any recoupment of funding resulting from periodic audit by the State of California, or United States of America and arising from Contractor's negligent acts, willful acts, or errors or omissions or such acts of Contractor's subcontractors, any person employed under Contractor, or under any subcontractor. Should County become subject to such recoupment Contractor shall reimburse County for recouped funds in proportion to Contractor's share of audit exceptions to the total audit exceptions charged against County.

11. INSURANCE

Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

12. PREVAILING WAGE

Contractor certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the Services hereunder are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office and will make this information available to any interested party upon request. Contractor shall defend, indemnify, and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work." To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13. NON-DISCRIMINATION

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

Contractor shall adhere to this policy as required therein and is otherwise encouraged to conform to this policy.

15. COMPLIANCE WITH LAWS AND REGULATIONS

If an ambiguity exists in this Agreement, or in a specific provision hereof, neither the Agreement nor the provision shall be construed against the party who drafted the Agreement or provision.

23. NO THIRD-PARTY BENEFICIARIES

Neither party intends that any person shall have a cause of action against either of them as a third-party beneficiary under this Agreement. The parties expressly acknowledge that is not their intent to create any rights or obligations in any third person or entity under this Agreement. The parties agree that this Agreement does not create, by implication or otherwise, any specific, direct or indirect obligation, duty, promise, benefit and/or special right to any person, other than the parties hereto, their successors and permitted assigns, and legal or equitable rights, remedy, or claim under or in respect to this Agreement or provisions herein.

24. HAZARDOUS MATERIALS
