SCOPE OF WORK

6. Electronic and IT Accessibility Requirements Under the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990

The Contractor agrees to ensure that deliverables developed and produced, pursuant to this Contract shall comply with the accessibility requirements of sections 7405 and 11135 of the California Government Code, section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), and regulations implementing that Act as set forth in Part 1194 of Title 36 of the C.F.R., and the portions of the Americans with Disabilities Act of 1990 related to electronic and IT accessibility requirements and implementing regulations. In 1998, Congress amended the Rehabilitation Act of 1973 to require Federal agencies to make their electronic and information technology (EIT) accessible to people with disabilities. California Government Code sections 7405 and 11135 codify section 508 of the Rehabilitation Act requiring accessibility of electronic and information technology.

7. Services to be Performed; Contract Performance

- A. See the Attachments to Exhibit A for a detailed description of the services to be performed.
- B. Contractor must maintain the necessary organization and level of staffing to implement and operate this Contract. Contractor must ensure the following:

Exhibit A SCOPE OF WORK

which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), Contractor must do no work on that part after the effective date of the loss of such program authority. DHCS will adjust payments that are specific to any state program or activity receiving FFP that is no longer authorized by law. If Contractor works on a state program or activity receiving FFP that is no longer authorized by law after the date the legal authority for the work ends, Contractor will not be paid for that work. If DHCS has paid Contractor in advance to work on a no-longer-authorized state program or activity receiving FFP and under the terms of this Contract the work was to be performed after the date the legal authority ended, the payment for that work shall be returned to DHCS. However, if Contractor worked on a state program or activity receiving FFP prior to the date legal authority ended for that state program or activity, and DHCS paid Contractor for that work, Contractor may keep the payment for that work even if the payment was made after the date the state program or activity receiving FFP lost legal authority. DHCS will attempt to provide Contractor with timely notice of the loss of program authority, however, failure by DHCS to provide notice of the loss of program authority shall not constitute a basis for Contractor to retain payments made for work performed following the date of the loss of program authority.

9. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

required to accept language assistance services, although a qualified interpreter may be used to assist in communicating with an LEP individual who has refused language assistance services.

- ii. The Contractor shall comply with the following oral interpretation requirements:
- iii. Contractors shall provide oral interpretation services from a qualified interpreter, on a 24-hour basis, at all key points of contact, at no cost to members. Key points of contact refer to common points of access to covered services, including but not limited to the Contractor's member problem resolution process, Contractor-owned or -operated or contract hospitals, and any other central access locations established by the Contractor. However, the Contractor is prohibited from using remote audio or VRI services that do not comply with federal quality standards, or relying on unqualified bilingual/multilingual staff, interpreters, or translators. The Contractor should not solely rely on telephone language lines for interpreter services. Rather, telephonic interpreter services should supplement face-to-face interpreter services, which are a more effective means of communication.
- vi. An interpreter is a person who renders a message spoken in one language into one or more languages. An interpreter shall be qualified and have knowledge in both languages of the relevant terms or concepts particular to the program or activity and the dialect spoken by the LEP individual. In order to be considered a qualified interpreter for an LEP individual, the interpreter must: 1) have demonstrated proficiency in speaking and understanding both English and the language spoken by the LEP individual; 2) be able to interpret effectively, accurately, and impartially, both receptively and expressly, to and from the language spoken by the LEP individual and English, using any necessary specialized vocabulary, terminology, and phraseology; and 3) adhere to

- viii. The Contractor is prohibited from requiring LEP individuals to provide their own interpreters, or from relying on bilingual/multilingual staff members who do not meet the qualifications of a qualified interpreter. Some bilingual/multilingual staff may be able to communicate effectively in a non-English language when communicating information directly in that language but may not be competent to interpret in and out of English. Bilingual/multilingual staff may be used to communicate directly with LEP individuals only when they have demonstrated to the Contractor that they meet all the qualifications of a qualified interpreter listed above.
- ix. The Contractor is prohibited from relying on an adult or minor child accompanying an LEP individual to interpret or facilitate communication except when: 1) there is an emergency involving an imminent threat to the safety or welfare of the individual or the public and a qualified interpreter is not immediately available; or, 2) the LEP individual specifically requests that an accompanying adult interpret or facilitate communication, the accompanying adult agrees to provide that assistance, and reliance on that accompanying adult for that assistance is appropriate under the circumstances. Prior to using a family member, friend or, in an emergency only, a minor child as an interpreter for an LEP individual, the Contractor shall first inform the individual that they have the right to free interpreter services and second, ensure that the use of such an interpreter will not compromise the effectiveness of services or violate the LEP individual's confidentiality. The Contractor shall also ensure

Exhibit A – Attachment 11
INFORMATION REQUIREMENTS

that the LEP individual's refusal of free interpreter services and their request to use family members, friends, or a minor child as an interpreter is documented.

- x. The Contractor shall comply with the following written translation requirements:

A qualified translator is a translator who: 1) adheres to generally accepted translator ethics principles, including client confidentiality; 2) has demonstrated proficiency in writing and understanding both written English and the written non-English language(s) in need of translation; and 3) is able to translate effectively, accurately, and impartially to and from such language(s) and English, using any necessary specialized vocabulary, terminology, and phraseology.

- iii. The Contractor shall not require an individual with a disability to provide their own interpreter. The Contractor is also prohibited from relying on an adult or minor child accompanying an individual with a disability to interpret or facilitate communication except as described in BHIN 24-007. Prior to using a family member, friend, or, in an emergency only, a minor child as an interpreter for an individual with a disability, the Contractor shall first inform the individual that they have the right to free interpreter services and second, ensure that the use of such an interpreter will not compromise the effectiveness of services or violate the individual's confidentiality. The Contractor shall

**Exhibit A – Attachment 11
INFORMATION REQUIREMENTS**

ensure that the refusal of free interpreter services and the individual's request to use a family member, friend, or a minor child as an interpreter is documented.

(42 C.F.R. § 438.410; BHIN 22-070.)
- B. The Contractor's expedited appeal process shall, at a minimum:

- D. The Contractor shall authorize or provide the disputed services promptly, and as expeditiously as the member's health condition requires, but no later than 72 hours from the date the Contractor receives notice reversing the determination if the services were not furnished while the appeal or State Hearing was pending and if the Contractor or State Hearing officer reverses a decision to deny, limit, or delay services. (42 C.F.R. § 438.424(a).)

10. Provision of Notice of Adverse Benefit Determination

- 4) A NOABD is required when the Contractor denies or modifies a payment authorization request from a provider for a service that has already been provided to the member when the denial or modification is a result of post-service, prepayment determination by the Contractor that the service was not medically necessary or otherwise was not a service covered by the Contractor. (9 C.C.R. § 1850.210(b).)
- 5) The Contractor shall deny the Contractor payment authorization request and provide the member with a NOABD when the Contractor does not have sufficient information to approve or modify, or deny on the merits, a Contractor payment authorization request from a provider within the timeframes required by 9 C.C.R. The Contractor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such notices will state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- b. The Contractor will, in all solicitations or advancements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.
- c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and will post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Contractor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. § 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 Code of Federal Regulations (C.F.R.) Part 60, "Office of the Federal Contract Compliance

Programs, Equal Employment Opportunity, Department of Labor,” and of the rules, regulations, and relevant orders of the Secretary of Labor.

- e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, ‘Amending Executive Order 11246 Relating to Equal Employment Opportunity,’ and as supplemented by regulation at 41 C.F.R. Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, ‘Amending Executive Order 11246 Relating to Equal Employment Opportunity,’ and as supplemented by regulation at 41 C.F.R. Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

2. Travel and Per Diem Reimbursement

(Applicable if travel and/or per diem expenses are reimbursed with agreement funds.)

Reimbursement for travel and per diem expenses from DHCS under this Agreement will, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (CalHR), for non-represented state employees as stipulated in DHCS' Travel Reimbursement Information Exhibit. If the CalHR rates change during the term of the Agreement, the new rates will apply upon their effective date and no amendment to this Agreement will be necessary. Exceptions to CalHR rates may be approved by DHCS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California will be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules

(Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by DHCS or expenses for said items are reimbursed by DHCS with state or federal funds provided under the Agreement.)

a. Equipment/Property definitions

Wherever the term equipment and/or property is used, the following definitions will apply:

1) **Major equipment/property:** A tangible or intangible item having a base unit cost of **\$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.

2) **Minor equipment/property:** A tangible item having a base unit cost of less than \$5,000 with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement.

b. **Government and public entities (including state colleges/universities and auxiliary organizations)**, whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. Paragraph c of Provision 3 will also apply, if equipment/property purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.

c. **Nonprofit organizations and commercial businesses**, whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment/property and services related to such purchases for performance under this Agreement.

- 1) Equipment/property purchases must not exceed \$50,000 annually.

To secure equipment/property above the annual maximum limit of \$50,000, the Contractor must make arrangements through the appropriate DHCS Program Contract Manager, to have all remaining equipment/property purchased through DHCS' Purchasing Unit. The cost of equipment/property purchased by or through DHCS will be deducted from the funds available in this Agreement. Contractor will submit to the DHCS Program Contract Manager a list of equipment/property specifications for those items that the State must procure. DHCS may pay the vendor directly for such arranged equipment/property purchases and title to the equipment/property will remain with DHCS. The equipment/property will be delivered to the Contractor's address, as stated on the face of the Agreement, unless the Contractor notifies the DHCS Program Contract Manager, in writing, of an alternate delivery address.

- 2) All equipment/property purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 will also apply, if equipment/property purchases are delegated to subcontractors that are either a government or public entity.
- 3) Nonprofit organizations and commercial businesses must use a procurement system that meets the following standards:
 - a) Maintain a code or standard of conduct that will govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent will participate in the selection, award, or administration of a procurement, or bid contract in which, to his or her knowledge, he or she has a financial interest.
 - b) Procurements must be conducted in a manner that provides, to the maximum extent practical, open, and free competition.

 - i. Avoid purchasing unnecessary or duplicate items.
 - ii. Equipment/property solicitations must be based upon a clear and accurate description of the technical requirements of the goods to be procured.
 - iii. Take positive steps to utilize small and veteran owned businesses.
 - d. Unless waived or otherwise stipulated in writing by DHCS, prior written authorization from the appropriate DHCS Program Contract Manager will be required before the Contractor will be reimbursed for any purchase of \$5,000 or more for commodities, supplies, equipment/property, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by DHCS, for evaluating the necessity or

desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

- e. In special circumstances, determined by DHCS (e.g., when DHCS has a need to monitor certain purchases, etc.), DHCS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. DHCS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that DHCS determines to be unnecessary in carrying out performance under this Agreement.
- f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.
- g. For all purchases, the Contractor and/or subcontractor must maintain copies of all paid vendor invoices, documents, bids and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) must also be maintained on file by the Contractor and/or subcontractor for inspection or audit.
- h. DHCS may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 3 by giving the Contractor no less than 30 calendar days written notice.

4. Equipment / Property Ownership / Inventory / Disposition

(Applicable to agreements in which equipment/property is furnished by DHCS and/or when said items are purchased or reimbursed by DHCS with state or federal funds provided under the Agreement.)

- a. Wherever the term equipment and/or property is used in Provision 4, the definitions in Paragraph a of Provision 3 will apply.

Unless otherwise stipulated in this Agreement, all equipment and/or property that is purchased/reimbursed with agreement funds or furnished by DHCS under the terms of this Agreement will be considered state equipment and the property of DHCS.

1) Reporting of Equipment/Property Receipt

DHCS requires the reporting, tagging and annual inventorying of all equipment and/or property that is furnished by DHCS or purchased/reimbursed with funds provided through this Agreement.

Upon receipt of equipment and/or property, the Contractor must report the

receipt to the DHCS Program Contract Manager. To report the receipt of said items and to receive property tags, Contractor must use a form or format designated by DHCS' Asset Management Unit. If the appropriate form (i.e., Contractor Equipment Purchased with DHCS Funds) does not accompany this Agreement, Contractor must request a copy from the DHCS Program Contract Manager.

2) Annual Equipment/Property Inventory

If the Contractor enters into an agreement with a term of more than twelve months, the Contractor must submit an annual inventory of state equipment and/or property to the DHCS Program Contract Manager using a form or format designated by DHCS' Asset Management Unit. If an inventory report form (i.e., Inventory/Disposition of DHCS-Funded Equipment) does not accompany this Agreement, Contractor must request a copy from the DHCS Program Contract Manager. Contractor must:

- a) Include in the inventory report, equipment and/or property in the Contractor's possession and/or in the possession of a subcontractor (including independent consultants).

Instructions will be supplied by either the DHCS Program Contract Manager or DHCS' Asset Management Unit.
- b. Title to State equipment and/or property will not be affected by its incorporation or attachment to any property not owned by the State.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Drug Free Workplace Act of 1988

The Federal government implemented the Drug Free Workplace Act of 1988 in an attempt to address the problems of drug abuse on the job. It is a fact that employees who use drugs have less productivity, a lower quality of work, and a higher absenteeism, and are more likely to misappropriate funds or services. From this perspective, the drug abuser may endanger other employees, the public at large, or themselves. Damage to property, whether owned by this entity or not, could result from drug abuse on the job. All these actions might undermine public confidence in the services this entity provides. Therefore, in order to remain a responsible source for government contracts, the following guidelines have been adopted:

- a. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the workplace.
- b. Violators may be terminated or requested to seek counseling from an approved rehabilitation service.
- c. Employees must notify their employer of any conviction of a criminal drug statute no later than five days after such conviction.
- d. Although alcohol is not a controlled substance, it is nonetheless a drug. It is the policy that abuse of this drug will also not be tolerated in the workplace.
- e. Contractors of federal agencies are required to certify that they will provide drug-free workplaces for their employees.

22. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS

will have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

23. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

24. Progress Reports or Meetings

(Applicable to consultant service agreements and, at DHCS' option, other agreements.)

- a. Contractor shall submit progress reports or attend meetings with state personnel at intervals determined by DHCS to determine if the Contractor is on the right track, whether the project is on schedule, provide communication of interim findings, and afford occasions for airing difficulties or special problems encountered so that remedies can be developed quickly.
- b. At the conclusion of this Agreement and if applicable, Contractor shall hold a final meeting at which Contractor shall present any findings, conclusions, and recommendations. If required by this Agreement, Contractor shall submit a comprehensive final report.

25. Performance Evaluation

- a. For all consultant service agreements of \$5000 or more:
 - 1) The Contractor's performance under this Agreement will be evaluated at the conclusion of the term of this Agreement. The evaluation will include, but not be limited to:
 - a) Whether the contracted work or services were completed as specified in the Agreement and reasons for and amount of any cost overruns.

 - c) Whether the Contractor fulfilled all requirements of the Agreement and if not, in what ways the Contractor did not fulfill the contract.
 - d) Factors outside the control of the Contractor, which caused difficulties in Contractor performance. Factors outside the control of the Contractor will not include a Subcontractor's poor performance.
 - e) Other information the awarding agency may require.

- f) How the Contract results and findings will be utilized to meet the agency goals.
- 2) The evaluation of the Contractor will not be a public record.

b. For all other agreements except grant agreements:

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation will not be a public record and will remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

26. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature will be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision will not be construed to extend to this Agreement if made with a corporation for its general benefits.

27. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

28. Use of Disabled Veteran's Business Enterprises (DVBE)

Code § 999.5(g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both DHCS and the DGS prior to the commencement of any work by the proposed subcontractor. Changes to the

scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment.

- d. Requests for DVBE subcontractor substitution must include:
 - 1) A written explanation of the reason for the DVBE substitution.
 - 2) A written description of the business enterprise that will be substituted, including its DVBE certification status and contact information.
 - 3) A written description of the work to be performed by the substituted DVBE subcontractor and an identification of the percentage share/dollar amount of the overall contract that the substituted subcontractor will perform.
 - 4) One or more of the permissible justifications for substituting a DVBE subcontractor as found in 2 C.C.R. § 1896.73(g).
- e. Failure of the Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in Mil. & Vet. A Contractor that fails to comply with the certification requirement must, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after at least 15 calendar days but not more than 30 calendar days from the date of written notice, the prime Contractor refuses to comply with the certification requirements, DHCS will permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (Mil. & Vet. Code § 999.7.)

- h. A person or entity that knowingly provides false information will be subject to a civil penalty for each violation. (Mil. & Vet. Code § 999.5(d); Govt. Code § 14841.)
- i. Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in § 999 of the Mil. & Vet. Code, including, but not limited to, the requirements of § 999.5(d).

29. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts must be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors must take all of the following steps to further this goal.

- a. Ensure that small businesses, minority-owned firms and women's business enterprises are used to the fullest extent practicable.
- b. Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms and women's business enterprises.
- c. Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

- a. All Small Business Preference Request attachments and Small Business Subcontractor/Supplier Acknowledgment attachments, however labeled, completed as a condition of bidding, are incorporated herein, and made a part of this Agreement by this reference.
- b. Contractor agrees to use each small business subcontractor/supplier, as

identified in previously submitted Small Business Preference Request attachments, unless the Contractor submits a written request for substitution of a like or alternate subcontractor. All requests for substitution must be approved by DHCS, in writing (including email or fax), prior to using a proposed substitute subcontractor.

The substituted business, if approved, must perform a commercially useful function in the Contract pursuant to 2 C.C.R. § 1896.15.
- d. DHCS may consent to the substitution if allowed by applicable State laws.
- e. Prior to the approval of the prime contractor's request for the substitution, the funding program will give notice in writing to the listed subcontractor of the prime contractor's request to substitute and the reasons for the request to substitute. The notice will be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor that has been so notified will have five (5) working days after the receipt of the notice to submit written objections to the substitution to the funding program. Failure to file these written objections will constitute the listed subcontractor's consent to the substitution. If written objections are filed, DHCS will give notice in writing of at least five (5) working days to the listed subcontractor of a hearing by DHCS on the prime contractor's request for substitution.
- f. Failure of the Contractor to subcontract with the small businesses listed in its bid or proposal to DHCS, or failure to follow applicable substitution rules and regulations will be grounds for DGS to impose sanctions pursuant to Gov. - b. As used herein, fringe benefits do not include:

- d. To be an allowable fringe benefit, the cost must meet the following criteria:
- 1) Be necessary and reasonable for the performance of the Agreement.
 - 2) Be determined in accordance with generally accepted accounting principles.

a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification will remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.

- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is canceled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification will require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is canceled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS will allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
