MHSSA GRANT AGREEMENT

EXHIBIT A

SCOPE OF WORK

I. Parties

The parties to this Agreement are the Mental Health Services Oversight & Accountability Commission (MHSOAC or Commission), a state agency headquartered in Sacramento, California; and the Tehama County Health Services Agency (Grantee or Tehama County) with headquarters in Red Bluff, California.

II. Summary/Purpose

This grant is part of a total award of \$25 million in grant funding Round 4 under the Mental Health Student Services Act (MHSSA). This is a competitive-bid grant following a Request for Applications (RFA) released in May-June 2024 as RFA MHSSA 004, Addendum 2.

There are four Categories of funding under MHSSA Round 4 for specific services designed to support the previous three rounds. The Categories are: 1) Marginalized and Vulnerable Youth, 2) Universal Screening, 3) Sustainability, and 4) Other Priorities. **This grant was awarded under Category 3: Sustainability.**

Grantee is identified in its grant Application submitted by a MHSSA Partnership that includes school districts, in accordance with program requirements. Applicants were allowed to submit in multiple Categories. Identical grants were awarded to twenty (20) Applicants under Category 3. A total of fifty-one (51) grants were awarded.

The Commission's report *Every Young Heart and Mind: Schools as Centers of Wellness* (published 2020 at MHSOAC.ca.gov) identified continuous improvement and sustainability as critical design features of a comprehensive school mental health system. Sustainability is increasingly relevant as numerous MHSSA grants near the end of their terms.

The overall Purpose of this Agreement is to identify sources of funding that can be used to sustain the delivery of mental health services to students on campus after MHSSA grant funding is no longer available. Toward this end, Grantee will retain a Quality Improvement and Sustainability (QIS) Coordinator whose work will facilitate financial sustainability for MHSSA services in Tehama County, bearing in mind that sustainability recommendations may be scaled statewide.

III. Recitals

- A. Mental Health Services Act (MHSA). In 2004, state voters approved Proposition 63, also known as the MHSA. This sweeping law, which created the Commission at Welfare & Institutions Code (WIC) Section 5845, calls for transformation of the mental health system while improving the quality of life for Californians living with mental and behavioral health challenges. The MHSA continues in effect as amended effective January 1, 2025, under Proposition 1. (AB531. Ch. 789, Stats. 2023.)
- B. Budget & Expenditures. On an annual basis, the state Legislature and Governor appropriate funds through the State Budget Act for the Commission to provide oversight, review, training, technical assistance, accountability, and evaluation of specified mental or behavioral health projects and programs. This includes grants and research projects under the MHSSA.
- C. Mental Health Student Services Act. The MHSSA, created at WIC Section 5886, is designed to bring mental and behavioral health services to children and youth at their school campuses. Specific program goals are set forth at the statute: (A) Preventing mental illnesses from becoming severe and disabling; (B) Improving timely access to services for underserved populations; (C) Providing outreach to families, employers, primary care health care providers, and others to recognize the early signs of potentially severe and disabling mental illnesses; (D) Reducing the stigma associated with the diagnosis of a mental illness or seeking mental health services; (E) Reducing discrimination against people with mental illness; (F) Preventing negative outcomes in the targeted population. (WIC Section 5886 (c)(3).)
- D. MHSSA Partnerships. MHSSA grants shall only be awarded to a countywide “partnership” among and between a county’s mental or behavioral health department, and one or more school districts, and county office of education and/or charter school(s). A “lead agency” may be identified and the statute also recognizes partnerships formed through a consortium between city and county government. (WIC Section 5886 (a)&(b).) Grant applicants must provide the Commission with written evidence of support by the governing boards of all partners. (WIC Section 5886(c)(1)&(2).)
- E. Procurement. This grant was awarded based on a Request for Applications (RFA) for the MHSSA Round 4 (RFA MHSSA-004 Addendum 2) grant program. The RFA was made available to all counties.
- F. Incorporation by Reference. The RFA and Grantee’s Application are incorporated by reference and made part of this Agreement as if attached hereto. The RFA will govern in the event of conflict.

- G. Prior MHSSA Funding. The Commission previously funded three rounds of MHSSA grants at a total of \$255 million to 57 partnerships (Grantees). The 57 grantees are part of the Commission's ongoing MHSSA Learning Collaborative.
- H. TCT Grants. The Commission recently awarded four MHSSA grants under a separate but related Technical Coaching Team (TCT) program. TCT grants are designed to assist all MHSSA grantees in specific areas, as awarded to: 1) Imperial County Office of Education (23MHCOAC043) for Sustainability, 2) Tehama County Department of Education (23MHSOAC041) for Data Collection, 3) Imperial County Office of Education (23MHCOAC040) for Partnership Development, and 4) Placer County Office of Education for Program Implementation (23MHSOAC042). See Attachments A-1 through A-4.
- I. TA Consultant. These four grantees will provide Technical Assistance (TA) in collaboration with a Statewide Technical Assistance Coordinator to be retained by the Commission
- J. Evaluation Consultant. The Evaluation Consultant is WestEd, working in collaboration with the Commission and its consultants.
- K. WestEd. WestEd is a nonprofit corporation headquartered in San Francisco and formed under a Joint Powers Agreement and governed by public entities in Arizona, California, Nevada and Utah with Board members representing agencies from these and other states. WestEd is dedicated to research and evaluation support for public and private educational practices. The Commission has retained WestEd under a separate Agreement to develop a plan for evaluating MHSSA partnerships, activities and services, and student outcomes on a statewide basis. The WestEd MHSSA Evaluation Plan will include an evaluation framework, research questions, viable school mental health metrics using an analytical and methodological approach.
- L. Commission Approval. The Commission approved the expenditure of funds for MHSSA Round 4 at its regular meeting on February 22, 2024 (Agenda Item 9).
- M. Asset Responsibility. Assets, vehicles, equipment or other operational materials purchased with grant funds awarded herein must be used for the purposes of this grant for the duration of this grant. At the conclusion of this grant, the asset becomes the responsibility of the grantee physically and financially.

For materials that are delivered under the contract, but that incorporate pre-existing materials not produced under the contract, Grantee hereby grants to the Commission a nonexclusive, royalty-free, irrevocable license (with rights to sublicense others) in such materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Grantee warrants and represents that Grantee has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to the Commission. The Grantee shall exert all reasonable effort to advise the Commission, at the time of delivery of materials furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document that was not produced in the performance of this contract. The Commission shall receive prompt written notice of each notice or claim of infringement received by the Grantee with respect to any data delivered under this contract. The Commission shall have the right to modify or remove any restrictive markings placed upon the data by the Grantee.
14. Grantee-Commission Collaboration: At the request of the Commission, Grantee shall permit Commission Staff to work closely with Grantee's Staff, and Commission Staff shall

be given access to Grantee's data, working papers and other written materials as needed for this purpose.

15. Counterparts: The parties may sign this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement.
16. Dispute Resolution:
 - a. Grantee shall first discuss and attempt to resolve any dispute arising under its performance of this Agreement informally with the Commission Contract Manager. If the dispute cannot be disposed of at this level, it shall be decided by the Commission Executive Director for which purpose Grantee shall submit a written statement of dispute to: Executive Director, MHSOAC, 1812 9th Street, Sacramento, California 95811. The submission may be transmitted by email but must also be sent by overnight mail with proof of receipt (see provisions for Notice above).
 - b. Within ten (10) days of receipt of the statement described above, the Executive Director or designee shall meet Grantee's manager(s) for the purpose of resolving the dispute. The Executive Director shall issue a decision to be served in the same manner as the written statement, which shall be final at the informal level.
 - c. After recourse to the informal level of dispute set forth above, any controversy or claim arising out of or relating to this Agreement or breach thereof shall be settled by arbitration at the election of either party in accordance with California Public Contract Code Section 10240 et. seq. and judgment upon the award rendered by the arbitration may be entered in any court having jurisdiction thereof.
 - d. While the informal dispute or arbitration process is pending, Grantee shall proceed diligently with its performance under the Agreement.
17. Electronic Signature: Unless otherwise prohibited by law, the parties agree that an electronic signature has the same legal force and effect as a hard-copy with ink signature. The parties agree that a signed copy of this Agreement may be transmitted by electronic means including facsimile and email.
18. Force Majeure: Neither the Commission nor the Grantee shall be deemed to be in default in the performance of the terms of this Agreement if either party is prevented from performing the terms of this Agreement by causes beyond its control, including without being limited to: acts of God; interference, rulings or decision by municipal, Federal, State or other governmental agencies, boards or commissions; any laws and/or regulations of such municipal, State, Federal, or other governmental bodies; or any catastrophe resulting from flood, fire, explosion, or other causes beyond the control of the defaulting party. If any of the stated contingencies occur, the party delayed by force majeure shall immediately give the other party written notice of the cause of delay. The party delayed by force majeure shall use reasonable diligence to correct the cause of the delay, if correctable.

19. Forum Selection: The County of Sacramento in the State of California shall be the proper forum for any dispute between the parties regarding this Agreement.
20. Governing Law: This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
21. Gratuities and Contingency Fees: The Commission, by written notice to the Grantee, may terminate the right of Grantee to proceed under this Agreement if it is found, after notice and hearing by the State, that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such contract.

In the event this Agreement is terminated as provided in the paragraph above, State shall be entitled (a) to pursue the same remedies against Grantee as it could pursue in the event of the breach of the Agreement by the Grantee, and (b) as a predetermined amount of liquidated damages, to exemplary damages in an amount which shall not be less than three times the cost incurred by the Grantee in providing any such gratuities to any such officer or employee.

The rights and remedies of the Commission provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

The Grantee warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of Grantee, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

22. Indemnification: Grantee agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all Grantees, sub-grantees, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Grantee in the performance of this Agreement.
23. Independent Contractor: Grantee, and the agents and employees of Grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
24. Information Security: The Grantee shall comply with applicable laws and regulations, including but not limited to Sections 14100.2 and 5328 et seq. of the Welfare and Institutions Code, Section 431.300 et seq. of Title 42, Code of Federal Regulations, and the Health Insurance Portability and Accountability Act (HIPAA), and it's implementing

regulations (including but not limited to Title 45, CFR, Parts 160, 162 and 164) regarding the confidentiality and security of individually identifiable health information (IIHI).

25. Inspection and Enforcement: From time to time, the Commission may inspect the facilities, systems, books and records of the Grantee to monitor compliance with the Grant. Grantee shall promptly remedy any violation of any provision of the Contract and shall certify the same to the Commission in writing. The fact that the State inspects, or fails to inspect, or has the right to inspect Grantee's facilities, systems, and procedures does not relieve Contractor of its responsibility to comply with the Agreement. The Commission's failure to detect or the Commission's detection of any unsatisfactory practices, but failure to notify Grantee or require Grantee's remediation of the unsatisfactory practices does not constitute acceptance of such practice or a waiver of the State's enforcement rights under the Agreement.

26. Key Personnel: Grantee's key personnel, as may be identified in this Agreement, cannot be substituted without the Commission's prior written approval.

27. Litigation: The Commission, promptly after receiving notice thereof, shall notify the Grantee in writing of the commencement of any claim, suit, or action against the State or its officers or employees for which the Grantee must provide indemnification under this Agreement.

The failure of the State to give such notice, information, authorization or assistance shall not relieve the Grantee of its indemnification obligations. The Grantee shall immediately notify the State of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the State, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the State.

28. Loss Leader: If this Agreement involves the furnishing of equipment, materials, or supplies then the following statement is incorporated: It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code. (Pub. Contract Code §10344(e)).

29. MHSOAC Logo: The Commission hereby grants Grantee the use of the MHSOAC Logo for purposes of its performance of this Agreement. Grantee understands and agrees that it must adhere to the guidelines in the Commission Brand Book in using this logo. A copy of Brand Book will be provided to the Grantee upon request.

30. Nondisclosure: Grantee shall not use or disclose confidential, individually identifiable, or sensitive information other than as permitted or required by the Agreement and as permitted or required by law.

31. Non-Discrimination: During the performance of this Agreement, Grantee and its sub-grantees shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they

discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Grantee shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Grantee and sub-grantees shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Grantee shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require ascertaining compliance with this clause. Grantee and its sub-grantees shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.).

Grantee shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

32. Notice: The parties agree that any document or notice required under this Agreement, including reports and other communications, shall be made in writing to the other party's Contract Manager as identified in Exhibit A. Except for Notices of Termination, which must be sent by overnight mail with proof of receipt to the appropriate Contract Manager, the parties agree that email will be considered sufficient for any and all notices, reports and other documents required under this Agreement.
33. Notice of Litigation: Grantee shall promptly notify the Commission of any claim or action that may affect performance under this Agreement.
34. Permits and Licenses: The Grantee shall procure and keep in full force and effect during the term of this Contract all permits, registrations and licenses necessary to accomplish the work specified in this Contract, and give all notices necessary and incident to the lawful prosecution of the work.

The Grantee shall keep informed of, observe, comply with, and cause all its agents and employees to observe and to comply with all prevailing Federal, State, and local laws, and rules and regulations made pursuant to said Federal, State, and local laws, which in any way affect the conduct of the work of this Agreement. If any conflict arises between provisions of the plans and specifications of this Agreement and any such law above referred to, then the Contractor shall immediately notify the State in writing.

35. Priority Hiring Considerations: If this Agreement includes services in excess of \$200,000, the Grantee shall give priority consideration in filling vacancies in positions funded by the Agreement to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

36. Public Hearings: If public hearings on the subject matter dealt with in this Agreement are held within one year from the contract expiration date, Grantee shall make available to testify the personnel assigned to this Contract at the hourly rates specified in the Grantee's proposed budget. State shall reimburse Grantee for travel of said personnel at the contract rates for such testimony as may be requested by State.
37. Public Records Act: This Agreement is subject to the California Public Records Act (PRA) in Government Code Section 6250 *et seq.* Under a Public Records Act Request, Grantee may be required to provide information regarding any aspect of this Agreement to the Commission. Under the PRA, medical records, data and any other information in the custody of the Commission are exempt from disclosure to the extent they contain personally identifiable information and shall be withheld from disclosure to that extent. The Commission will coordinate with federal entities on disclosure of public records should there be a joint request under the PRA and the federal Freedom of Information Act.
38. Publications and Reports: The Commission reserves the right to use and reproduce all reports and data produced and delivered under this Agreement. The Commission further reserves the right to authorize others to use or reproduce such materials.
- a. If the publication and/or report are prepared by non-employees of the State, and the total cost for such preparation exceeds \$5,000, the publication and/or report shall contain the numbers and dollar amounts of all contracts and subcontracts relating to the preparation of the publication and report in a separate section of the report (Government Code Section 7550).
39. Recycling Certification: The Grantee shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the Commission regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply. (Pub. Contract Code §12205).
40. Work Product Rights: The Grantee hereby grants the Commission with Government Purpose Rights to the Work Product produced pursuant to this Agreement. "Government Purpose Rights" are the unlimited, irrevocable, worldwide, perpetual, royalty-free, non-exclusive rights, and licenses to use, modify, reproduce, perform, release, display, create derivative works from, and disclose the Work Product. "Government Purpose Rights" also include the right to release or disclose the Work Product outside the Commission for any State government purpose and to authorize recipients to use, modify, reproduce, perform, release, display, create derivative works from, and disclose the Work Product for any public purpose. Such recipients of the Work Product may include, without limitation, Not-for-Profit Corporations, Community-Based Organizations, State Grantees, California local governments, the United States Government, and the State and local governments of other states. "Government Purpose Rights" do not include any rights to use, modify, reproduce, perform, release, display, create derivative works from, or disclose the Work Product for any commercial purpose.

41. Severability: In the event any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.
42. Small Business Participation and DVBE Participation Reporting Requirements:
- a. If for this Agreement, Grantee made a commitment to achieve a small business participation, then Grantee must within 60 days of receiving final payment under this Agreement (or within such other time period as may be specified elsewhere in this Agreement) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code §14841.).

This provision is not intended and shall not be construed to limit any expression of a view, opinion, or position of any member of Grantee as an individual or private citizen, as long as state funds are not used; nor does this provision limit Grantee from merely reporting the results of a poll or survey of its membership.

44. Subcontracts: Prior to entering any subcontract, Contractor shall obtain the Commission's prior approval. Contractor shall provide a list of all subcontractors in initial, progress and final reports to the Commission, or upon request. In the event of such termination the Commission may proceed with the work in any manner deemed proper by the Commission. All costs to the Commission shall be deducted from any sum due the Grantee under this Agreement and the balance, if any, shall be paid to the Grantee, pursuant to Exhibit B of this Agreement, upon demand.
48. Termination Without Cause: Either party is entitled to terminate this Agreement without cause upon serving written Notice on the named representative of the other party at least thirty (30) days in advance. The Commission shall be relieved from any obligation to pay Grantee for performance that is interrupted or not delivered as a result of termination. The Commission shall pay the Grantee for any balance remaining, pursuant to Exhibit B of this Agreement, for work satisfactorily performed. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.
