The Maximum Compensation payable under this Agreement shall not exceed \$144,335.00. Contractor shall not be entitled to payment or reimbursement for any tasks or services performed except as specified herein. Contractor shall have no claim against County for payment of any compensation or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of the Agreement. Contractor shall not be paid any amount in excess of the Maximum Compensation amount set forth above, and Contractor agrees that County has no obligation, whatsoever, to compensate or reimburse Contractors for any expenses, direct or indirect costs, expenditures, or charges of any nature by Contractor that exceed the Maximum Compensation amount set forth above. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County, this provision shall survive the expiration or other termination of the Agreement.

4. BILLING AND PAYMENT

On or before the 15th of each month, Contractor shall submit to County an itemized invoice

for all services rendered during the preceding calendar month. County shall make payment of all undisputed amounts within 30 days of receipt of Contractor's invoice. County shall be obligated to pay only for services properly invoiced in accordance with this section.

5. **TERM OF AGREEMENT**

This agreement shall commence on the date of signing and shall terminate upon completion and acceptance by the Governor's Office of Land Use and Climate Innovation of the 2030-2050 General Plan update, unless terminated in accordance with section 6 below.

6. **TERMINATION OF AGREEMENT**

If Contractor fails to perform his/her duties to the satisfaction of the County, or if Contractor fails to fulfill in a timely and professional manner his/her obligations under this agreement, or if Contractor violates any of the terms or provisions of this agreement, then the County shall have the right to terminate this agreement effective immediately upon the County giving written notice thereof to the Contractor. Either party may terminate this agreement on 30 days' written notice. County shall pay contractor for all work satisfactorily completed as of the date of notice. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year.

The County's right to terminate this agreement may be exercised by the Planning Director.

7. **ENTIRE AGREEMENT; MODIFICATION**

This agreement for the services specified supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no other oral or written representation.

8. **NONASSIGNMENT OF AGREEMENT**

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of the County.

9. EMPLOYMENT STATUS

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to ensure that the services shall be rendered and performed in a competent, efficient and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Contractor, if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's Workers Compensation Insurance Plan nor shall Contractor be eligible for any other County benefit.

10. INDEMNIFICATION

Contractor shall defend, hold harmless, and indemnify Tehama County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of County), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of County) being damaged, by negligence, errors or omissions, or intentional wrongdoing on the part of Contractor or by any person employed by Contractor in any capacity during the progress of the work, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of County. Contractor shall, at its own expense, defend any suit or action founded upon a claim of the foregoing. Contractor shall also defend and indemnify County against any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency against the County with respect to Contractor's "independent

contractor" status that would establish a liability for failure to make social security or income tax withholding payments, or any other legally mandated payment.

11. **INSURANCE**

Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements for Contractor," attached hereto and incorporated by reference.

12. **PREVAILING WAGE**

Contractor certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the Services hereunder are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office and will make this information available to any interested party upon request. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work." To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this

requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13. **NON – DISCRIMINATION**

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

14. **GREEN PROCURMENT POLICY**

Through Tehama County Resolution No. 2021-140, the County adopted the Recovered Organic Waste Product Procurement Policy (available upon request) to (1) protect and conserve natural resources, water and energy; (2) minimize the jurisdiction's contribution to pollution and solid waste disposal; (3) comply with state requirements as contained in 14 CCR Division 7, Chapter 12, Article 12 (SB 1383); (4) support recycling and waste reduction; and (5) promote the purchase of products made with recycled materials, in compliance with the California Integrated Waste Management Act of 1989 (AB 939) and SB1382 when product fitness and quality are equal and they are available at the same or lesser cost of non-recycled products. Contractor shall adhere to this policy as required therein and is otherwise encouraged to conform to this policy.

15. **COMPLIANCE WITH LAWS AND REGULATIONS**

All services to be performed by Contractor under to this Agreement shall be performed in accordance with all applicable federal, state, and local laws, ordinances, rules, and

regulations. Any change in status, licensure, or ability to perform activities, as set forth herein, must be reported to the County immediately.

This agreement shall be deemed to be made in and shall be governed by and construed in accordance with the laws of the State of California (excepting any conflict of laws provisions which would serve to defeat application of California substantive law). Venue for any action arising from this agreement shall be in Tehama County, California.
