

Tehama County

Background

On September 30, 1997, the State of California enacted Senate Bill 720 (SB720), adding Section 9250.19 to the California Vehicle Code (VC). This section authorizes, upon the adoption of a resolution by the County Board of Supervisors, that a fee of one dollar (\$1) shall be paid at the time of registration, renewal, or supplemental application for vehicle registration and two dollars (\$2) for commercial vehicle registration, in addition to any other specified fees.

On September 1, 2011, California Assembly Bill (AB674) was signed into law removing any sunset clause and making the collection of these fees permanent.

On February 21, 2014, California Assembly Bill 2393 (AB2393) amended VC 9250.19 and authorized a county, that has already adopted the resolution to impose the one dollar (\$1) fee, to increase that fee to two dollars (\$2) for vehicle registrations and four dollars (\$4) for commercial vehicle registrations in the same manner that it imposed the initial one-dollar (\$1) fee.

California Penal Code 11112

California Penal Code 11112 defines the requirement for a Remote Access Network or RAN Board which approves the use of the collected funds.

Section 11112.4 – Local RAN board

(a) Within each county or group of counties eligible to receive funding under the department's master plan for equipment, that elects to participate in the Remote Access Network, a local RAN board shall be established. Where a single county is eligible to receive funding, that county's RAN board shall be the local RAN board. Where a group of counties is eligible for funding, the local RAN board shall consist of a regional board. The RAN board shall determine the placement of RAN equipment within the county or counties, and coordinate acceptance, delivery, and installation of RAN equipment. The board shall also develop any procedures necessary to regulate the ongoing use and maintenance of that equipment, adhering to the policy guidelines and procedures adopted by the department. The local board shall consider placement of equipment on the basis of the following criteria:

- (1) The crime rate of the jurisdiction or jurisdictions served by the agency.
- (2) The number of criminal offenses reported by the agency or agencies to the department.
- (3) The potential number of fingerprint cards and latent fingerprints processed.
- (4) The number of sworn personnel of the agency or agencies.

(b) Except as provided in subdivision (c), each RAN board shall be composed of seven members, as follows: a member of the board of supervisors, the sheriff, the district attorney, the chief of police of the Cal-ID member department having the largest number of sworn personnel within the county, a second chief selected by all other police chiefs within the county, a mayor elected by the city selection committee established pursuant to

Section 50270 of the Government Code, and a member-at-large chosen by the other members. In any county lacking two chiefs of police, a substitute member shall be selected by the other members on the board. Groups of counties forming a region shall establish a seven-member board with each county having equal representation on the board and at least one member-at-large. If the number of participating counties precludes equal representation on a seven-member board, the size of the board shall be expanded so that each county has at least two representatives and there is a single member-at-large.

(c) In any county with a population of 5,000,000 or more, each local board shall be composed of seven members, as follows: a member of the board of supervisors, the sheriff, the district attorney, the chief of police of the Cal-ID member department having the largest number of sworn personnel within the county, a second chief selected by all other police chiefs within the county, the mayor of the city with the greatest population within the county that has a Cal-ID member police department, and a member-at-large chosen by the other members. In any county lacking two chiefs of police, a substitute member shall be selected by the other members of the board.

(d) A county which is a part of a regional board may form a local RAN advisory board. The purpose of the local RAN advisory board shall be to provide advice and recommendations to the county's representatives on the regional RAN board. The local RAN advisory board may appoint alternate members to the regional RAN board from the local RAN advisory board to serve and work in the place of a regional RAN board member who is absent or who disqualifies himself or herself from participation in a meeting of the regional RAN board.

If a vacancy occurs in the office of a regional RAN board in a county which has established a local RAN advisory board, an alternate member selected by the local RAN advisory board may serve and vote in place of the former regional RAN board member until the appointment of a regional RAN board member is made to fill the vacancy.
