Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to insure that the services shall be rendered and performed in a competent, efficient, and satisfactory manner. Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

12. **PREVAILING WAGE**

If the Services hereunder are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office, and will make this information available to any interested party upon request. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work." To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a

contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13. **NON-DISCRIMINATION**

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

20. **STANDARDS OF THE PROFESSION:**

Contractor agrees to perform its duties and responsibilities pursuant to the terms and conditions of this agreement in accordance with the standards of the profession for which Contractor has been properly licensed to practice.

21. **LICENSING OR ACCREDITATION:**

Where applicable the Contractor shall maintain the appropriate license or accreditation through the life of this contract.

22. **RESOLUTION OF AMBIGUITIES:**

If an ambiguity exists in this Agreement, or in a specific provision hereof, neither the Agreement nor the provision shall be construed against the party who drafted the Agreement or provision.

Contractor shall provide to County all Safety Data Sheets covering all Hazardous Materials to be furnished, used, applied, or stored by Contractor, or any of its Subcontractors, in connection with the services on County property. Contractor shall provide County with copies of any such Safety Data Sheets prior to entry to County property or with a document certifying that no Hazardous Materials will be brought onto County property by Contractor, or any of its Subcontractors, during the performance of the services. County shall provide Safety Data Sheets for any Hazardous Materials that Contractor may be exposed to while on County property.

25. **HARASSMENT:**

Contractor agrees to make itself aware of and comply with the County's Harassment Policy, TCPR §8102: Harassment, which is available upon request. The County will not tolerate or condone harassment, discrimination, retaliation, or any other abusive behavior. Violations of this policy may cause termination of this agreement.

26. **COUNTERPARTS, ELECTRONIC SIGNATURES – BINDING**

This agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each Party of this agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act (“CUETA”) Cal. Civil Code §§ 1633.1 to 1633.17), for executing this agreement. The Parties further agree that the electronic signatures of the Parties included in this agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound,

symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among Parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the Parties. For purposes of this section, a digital signature is a type of “electronic signature” as defined in subdivision (i) of Section 1633.2 of the Civil Code. Facsimile signatures or signatures transmitted via pdf document shall be treated as originals for all purposes.

27. **CONFIDENTIALITY**

The intent of this agreement is for the Contractor to perform janitorial services. However, should specific information regarding the County’s clients become known to Contractor, the following confidentiality rules shall apply:

- a. Contractor shall require all employees, volunteers, agents, and officers to comply with the provisions of Section 10850 of the Welfare and Institutions Code and Manual of Policies and Procedures (MPP) Division 19, which provide that:
 - 1.) All applications and records concerning any individual made or kept by Contractor shall be confidential and shall not be open to examination for any purpose not directly connected to the administration of this program.
 - 2.) No person shall publish, disclose, use, permit or cause to be published or disclosed any list of persons receiving public social services, except as provided by law.
 - 3.) No person shall publish, disclose, use, permit or cause to be published, disclosed or used any confidential information pertaining to an applicant or recipient, except as provided by law.

- b. Contractor shall ensure all employees, volunteers, agents, and officers comply with the above provisions, and shall inform all employees, agents and officers that any person knowingly and intentionally violating such provisions is guilty of a misdemeanor.
- c. During the term of this agreement, both parties may have inadvertently become aware of information that is confidential or proprietary in nature. Both parties agree to preserve the confidentiality of and to not disclose any such information to any third party without the express written consent of the other party or as required by law. This provision shall survive the termination, expiration, or cancellation of the agreement.
- d. Notwithstanding any other provision of this Agreement, the Contractor agrees to protect the confidentiality of any and all patient, client, or resident medical information, which may be viewed in the process of doing his/her/its contracted services. The Contractor understands that he/she/its is subject to all of the confidentiality requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA); Title 42, Section 2.1 through 2.67-1, Code of Federal Regulations; and Confidentiality of Medical Information Act [Part 2.6 (commencing with Section 56)] of Division 1 of the Civil Code. Violation of the confidentiality of patient, client or resident medical information may result in federally imposed fines and penalties and the cancellation of this agreement.

28. GOVERNMENT CODE SECTION 31000 FINDING

By approving this contract, the Board of Supervisors finds that all existing County maintenance and custodial employee resources located in proximity to the facilities served by this contract are fully committed to serving other County buildings, and that each of the facilities served by this contract is therefore remote from any available county employee resources. The Board further finds that the County's economic interests are best served by this contract rather than by paying additional travel and subsistence expenses to existing county maintenance and custodial employees.

29. INFORMATION SECURITY

In performance of this contract, the Contractor will not be given access to federal tax information (FTI). However, inadvertent or incidental access to FTI may occur. It is incumbent upon the Contractor to inform its officers and employees of the provisions of IRC Sections 7213 and 7213A Unauthorized Disclosure of Information and IRC Section 7431 Civil Damages for Unauthorized Disclosure of Returns and Return Information. Willful unauthorized disclosure of returns and return information is a felony punishable upon conviction by a fine as much as \$5,000 or imprisonment for as long as five years, or both, together with the costs of prosecution. Willful unauthorized disclosures of returns and return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1000 with respect to each instance of unauthorized disclosure. These penalties are set forth at 26 CFR 301.6103(n) 1.

Additionally, it is incumbent upon the Contractor to inform its officers and employees of the penalties for improper disclosure imposed by Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C.552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5000.

Timely notification of an unauthorized disclosure of FTI is the most important factor. The Contractor will immediately, but no later than 24 hours, contact the agency upon identification of a possible issue involving FTI. The Contractor should not wait to conduct an internal investigation to determine if FTI was involved.

However, if coverage is written on a claims made basis, the policy shall be endorsed to provide coverage for at least three years from termination of agreement.

If Contractor maintains higher limits than the minimums shown above, County shall be entitled to coverage for the higher limits maintained by Contractor.

All such insurance coverage, except professional liability insurance, shall be provided on an “occurrence” basis, rather than a “claims made” basis.

Endorsements: Additional Insureds

The Commercial General Liability and Automobile Liability policies shall include, or be endorsed to include “Tehama County, its elected officials, officers, employees and volunteers” as an additional insured.

The certificate holder shall be “County of Tehama.”

Any deductibles or self-insured retentions of \$25,000 or more must be declared to, and approved by, the County. The deductible and/or self-insured retentions will not limit or apply to Contractor’s liability to County and will be the sole responsibility of Contractor.

If for any reason, Contractor fails to maintain insurance coverage or to provide evidence of renewal, the same shall be deemed a material breach of contract. County, in its sole option, may terminate the contract and obtain damages from Contractor resulting from breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

Policy Obligations

Contractor's indemnity and other obligations shall not be limited by the foregoing insurance requirements.

Verification of Coverage

Contractor shall furnish County with original certificates and endorsements effecting coverage required herein. All certificates and endorsements shall be received and approved by the County prior to County signing the agreement and before work commences. However, failure to do so shall not operate as a waiver of these insurance requirements.

The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.
