The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Lake California Drive Reconstruction Project – Corridor Improvements, Road Rehabilitation, and Multi-modal Infrastructure Development project in fiscal year 2024. The entity to receive funding for this project is Tehama County Transportation Commission, located at 1509 Schwab Street, Red Bluff, CA 96080. The funding would be used for reconstructing an existing facility to provide for the safety of pedestrians, remove hazards and clear a recovery zone, as well as develop a complete street bike/pedestrian facility that may be utilized for the use of emergency vehicles during an incident. The project is an appropriate use of taxpayer funds because it will support a mass mobilization during an emergency incident.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
