

OTHER THAN "A" STEP REQUEST

The Board of Supervisors, on November 13, 1990, asked to receive consistent information from Department Heads who request to hire a new employee at other than "A" step of the classification range. Board policy cites that "A" step is the normal and desired starting point in a classification unless compelling* reasons exist to start an individual at a higher step.

*Please note that the Board has previously provided direction that a pay disparity between Tehama and other counties is not, in and of itself, a sufficient compelling reason to start an employee at higher than "A" step.
