The approved CONSULTANT's Cost Proposal and Scope of Work are attached hereto (Attachment I) and incorporated by reference. If there is any conflict between the approved Cost Proposal, Scope of Work, and this AGREEMENT, this AGREEMENT shall take precedence.
- C. CONSULTANT agrees to the fullest extent permitted by law, to indemnify, protect, defend, and hold harmless LOCAL AGENCY, its officers, officials, agents, employees, and volunteers from and against any and all claims, damages, demands, liability, costs, losses and expenses, including without limitation, court costs and reasonable attorneys' and expert witness fees, arising out of any failure to comply with applicable law, any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise, arising out of the performance of the work described herein, to the extent caused by a negligent act or negligent failure to act, errors, omissions, recklessness or willful misconduct incident to the performance of this AGREEMENT on the part of CONSULTANT, except such loss or damage which was caused by the sole negligence, or willful misconduct of LOCAL AGENCY, as determined by a Court of competent jurisdiction. The provisions of this section shall survive termination or suspension of this AGREEMENT.

Notwithstanding the foregoing, to the extent that the services or work hereunder include design professional services subject to Civil Code section 2782.8, CONSULTANT's duty to indemnify shall only be to the maximum extent permitted by Civil Code section 2782.8.

- D. CONSULTANT shall, during the entire term of this agreement, act as an independent CONSULTANT and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow LOCAL AGENCY to exercise discretion or control over the professional manner in which CONSULTANT (including CONSULTANT's employees) performs the services which are the subject matter of this agreement; provided always. CONSULTANT's assigned personnel shall not be entitled to any benefits payable to employees of LOCAL AGENCY.

- G. Except as expressly authorized herein, CONSULTANT's obligations under this AGREEMENT are not assignable or transferable, and CONSULTANT shall not subcontract any work, without the prior written approval of the LOCAL AGENCY. However, claims for money due or which become due to CONSULTANT from LOCAL AGENCY under this AGREEMENT may be assigned to a financial institution or to a trustee in bankruptcy, without such approval. - C. Any costs for which payment has been made to CONSULTANT that are determined by subsequent audit to be unallowable under 2 CFR, Part 200 or 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31.000 et seq., are subject to repayment by CONSULTANT to LOCAL AGENCY.
- D. When a CONSULTANT or Subconsultant is a Non-Profit Organization or an Institution of Higher Education, the Cost Principles for Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards shall apply.

ARTICLE VIII RETENTION OF RECORDS/AUDIT

For the purpose of determining compliance with Gov. Code § 8546.7, the CONSULTANT, Subconsultants, and LOCAL AGENCY shall maintain all books, documents, papers, accounting records, Independent CPA Audited Indirect Cost Rate workpapers, and other evidence pertaining to the performance of the AGREEMENT including, but not limited to, the costs of administering the AGREEMENT. All parties, including the CONSULTANT's Independent CPA, shall make such workpapers and materials available at their respective offices at all reasonable times during the

AGREEMENT period and for three (3) years from the date of final payment under the AGREEMENT. LOCAL AGENCY, Caltrans Auditor, FHWA, or any duly authorized representative of the Federal government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to any books, records, and documents of the CONSULTANT, Subconsultants, and the CONSULTANT's Independent CPA, that are pertinent to the AGREEMENT for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

ARTICLE IX AUDIT REVIEW PROCEDURES

- A. Any dispute concerning a question of fact arising under an interim or post audit of this AGREEMENT that is not disposed of by AGREEMENT, shall be reviewed by LOCAL AGENCY'S Chief Financial Officer.
- B. Not later than thirty (30) calendar days after issuance of the final audit report, CONSULTANT may request a review by LOCAL AGENCY'S Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.
- C. Neither the pendency of a dispute nor its consideration by LOCAL AGENCY will excuse CONSULTANT from full and timely performance, in accordance with the terms of this AGREEMENT.
- D. CONSULTANT and subconsultant AGREEMENTs, including cost proposals and Indirect Cost Rates (ICR), may be subject to audits or reviews such as, but not limited to, an AGREEMENT audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the AGREEMENT, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is CONSULTANT's responsibility to ensure federal, LOCAL AGENCY, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The AGREEMENT, cost proposal, and ICR shall be adjusted by CONSULTANT and approved by LOCAL AGENCY Contract Administrator to conform to the audit or review recommendations. CONSULTANT agrees that individual terms of costs identified in the audit report shall be incorporated into the AGREEMENT by this reference if directed by LOCAL AGENCY at its sole discretion. Refusal by CONSULTANT to incorporate audit or review recommendations, or to ensure that the federal, LOCAL AGENCY or local governments have access to CPA work papers, will be considered a breach of AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.
- E. CONSULTANT's Cost Proposal may be subject to a CPA ICR Audit Work Paper Review and/or audit by the Independent Office of Audits and Investigations (IOAI). IOAI, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by the CONSULTANT and approved by the LOCAL AGENCY Contract Administrator to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the CONSULTANT to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the AGREEMENT terms and cause for termination of the AGREEMENT and disallowance of prior reimbursed costs.
 - 1. During IOAI's review of the ICR audit work papers created by the CONSULTANT's independent CPA, IOAI will work with the CPA and/or CONSULTANT toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If IOAI identifies significant issues during the review and is unable to issue a cognizant approval letter, LOCAL AGENCY will reimburse the CONSULTANT at an accepted ICR until a FAR (Federal Acquisition Regulation) compliant ICR {e.g. 48 CFR Part 31; GAGAS (Generally Accepted Government Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines} is received and approved by IOAI.

Accepted rates will be as follows:

- a. If the proposed rate is less than one hundred fifty percent (150%) - the accepted rate reimbursed will be ninety percent (90%) of the proposed rate.
 - b. If the proposed rate is between one hundred fifty percent (150%) and two hundred percent (200%) - the accepted rate will be eighty-five percent (85%) of the proposed rate.
 - c. If the proposed rate is greater than two hundred percent (200%) - the accepted rate will be seventy-five percent (75%) of the proposed rate.
2. If IOAI is unable to issue a cognizant letter per paragraph E.1. above, IOAI may require CONSULTANT to submit a revised independent CPA-audited ICR and audit report within three (3) months of the effective date of the management letter. IOAI will then have up to six (6) months to review the CONSULTANT's and/or the independent CPA's revisions.
 3. If the CONSULTANT fails to comply with the provisions of this paragraph E, or if IOAI is still unable to issue a cognizant approval letter after the revised independent CPA audited ICR is submitted, overhead cost reimbursement will be limited to the accepted ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this AGREEMENT.
 4. CONSULTANT may submit to LOCAL AGENCY final invoice only when all of the following items have occurred: (1) IOAI accepts or adjusts the original or revised independent CPA audited ICR; (2) all work under this AGREEMENT has been completed to the satisfaction of LOCAL AGENCY; and, (3) IOAI has issued its final ICR review letter. The CONSULTANT MUST SUBMIT ITS FINAL INVOICE TO LOCAL AGENCY no later than sixty (60) calendar days after occurrence of the last of these items. The accepted ICR will apply to this AGREEMENT and all other agreements executed between LOCAL AGENCY and the CONSULTANT, either as a prime or subconsultant, with the same fiscal period ICR.

ARTICLE X SUBCONTRACTING

- A. Nothing contained in this AGREEMENT or otherwise, shall create any contractual relation between LOCAL AGENCY and any Subconsultant(s), and no subagreement shall relieve CONSULTANT of its responsibilities and obligations hereunder. CONSULTANT agrees to be as fully responsible to LOCAL AGENCY for the acts and omissions of its Subconsultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by CONSULTANT. CONSULTANT's obligation to pay its Subconsultant(s) is an independent obligation from LOCAL AGENCY'S obligation to make payments to CONSULTANT.
- B. CONSULTANT shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by the LOCAL AGENCY Contract Administrator, except that, which is expressly identified in the CONSULTANT's approved Cost Proposal.
- C. Any subagreement entered into as a result of this AGREEMENT shall contain all the provisions stipulated in this entire AGREEMENT to be applicable to Subconsultants unless otherwise noted.
- D. CONSULTANT shall pay its Subconsultants within fifteen (15) calendar days from receipt of each payment made to CONSULTANT by LOCAL AGENCY.
- E. Any substitution of Subconsultant(s) must be approved in writing by LOCAL AGENCY Contract Administrator in advance of assigning work to a substitute Subconsultant.
- F. Prompt Progress Payment
CONSULTANT or subconsultant shall pay to any subconsultant, not later than fifteen (15) days after receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed CONSULTANT on account of the work performed by the subconsultants, to the

extent of each subconsultant's interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress payment from CONSULTANT or subconsultant to a subconsultant, CONSULTANT or subconsultant may withhold no more than 150 percent of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subconsultant, of 2 percent of the amount due per month for every month that payment is not made.

In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney's fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subconsultants.

G. Prompt Payment of Withheld Funds to Subconsultants

No retainage will be held by the LOCAL AGENCY from progress payments due to CONSULTANT. CONSULTANTS and subconsultants are prohibited from holding retainage from subconsultants. Any delay or postponement of payment may take place only for good cause and with the LOCAL AGENCY's prior written approval. Any violation of these provisions shall subject the violating CONSULTANT or subconsultant to the penalties, sanctions, and other remedies specified in Section 3321 of the California Civil Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to CONSULTANT or subconsultant in the event of a dispute involving late payment or nonpayment by CONSULTANT, deficient subconsultant performance and/or noncompliance by a subconsultant. This clause applies to both DBE and non-DBE subconsultants.

Any violation of these provisions shall subject the violating CONSULTANT or subconsultant to the penalties, sanctions and other remedies specified therein. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to CONSULTANT or subconsultant in the event of a dispute involving late payment or nonpayment by CONSULTANT, deficient subcontract performance, or noncompliance by a subconsultant.

ARTICLE XI EQUIPMENT PURCHASE AND OTHER CAPITAL EXPENDITURES

- A. Prior authorization in writing, by LOCAL AGENCY's Contract Administrator shall be required before CONSULTANT enters into any unbudgeted purchase order, or subcontract exceeding five thousand dollars (\$5,000) for supplies, equipment, or CONSULTANT services. CONSULTANT shall provide an evaluation of the necessity or desirability of incurring such costs.
- B. For purchase of any item, service or consulting work not covered in CONSULTANT's approved Cost Proposal and exceeding five thousand dollars (\$5,000), with prior authorization by LOCAL AGENCY's Contract Administrator, three competitive quotations must be submitted with the request, or the absence of proposal must be adequately justified.
- C. Any equipment purchased as a result of this AGREEMENT is subject to the following:
 - 1. CONSULTANT shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of five thousand dollars (\$5,000) or more. If the purchased equipment needs replacement and is sold or traded in, LOCAL AGENCY shall receive a proper refund or credit at the conclusion of the AGREEMENT, or if the AGREEMENT is terminated, CONSULTANT may either keep the equipment and credit LOCAL AGENCY in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established LOCAL AGENCY procedures; and credit LOCAL AGENCY in an amount equal to the sales price. If CONSULTANT elects to keep the equipment, fair market value shall be determined at CONSULTANT's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by LOCAL AGENCY and CONSULTANT, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by LOCAL AGENCY.

2. Regulation 2 CFR, Part 200 requires a credit to Federal funds when participating equipment with a fair market value greater than five thousand dollars (\$5,000) is credited to the project.

ARTICLE XII STATE PREVAILING WAGE RATES

Such penalties shall be withheld by LOCAL AGENCY from payments then due. CONSULTANT is not subject to a penalty assessment pursuant to this section due to the failure of a Subconsultant to comply with this section.

 2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of the CONSULTANT or Subconsultant in failing to pay the correct rate of prevailing wages, or the previous record of the CONSULTANT or Subconsultant in meeting their respective prevailing wage obligations, or the willful failure by the CONSULTANT or Subconsultant to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if the CONSULTANT or Subconsultant had knowledge of the obligations under the Labor Code. The CONSULTANT is responsible for paying the appropriate rate, including any escalations that take place during the term of the AGREEMENT.

Prior to making final payment to the Subconsultant for work performed on the public works project, the CONSULTANT shall obtain an affidavit signed under penalty of perjury from the Subconsultant that the Subconsultant had paid the specified general prevailing rate of per diem wages to the Subconsultant's employees on the public works project and any amounts due pursuant to Labor Code §1813.
5. Pursuant to Labor Code §1775, LOCAL AGENCY shall notify the CONSULTANT on a public works project within fifteen (15) calendar days of receipt of a complaint that a Subconsultant has failed to pay workers the general prevailing rate of per diem wages.
 6. If LOCAL AGENCY determines that employees of a Subconsultant were not paid the general prevailing rate of per diem wages and if LOCAL AGENCY did not retain sufficient money under the AGREEMENT to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, the CONSULTANT shall withhold an amount of moneys due the Subconsultant sufficient to pay those employees the general prevailing rate of per diem wages if requested by LOCAL AGENCY.

- C. Exceptions to the Federal Government Excluded Parties List System maintained by the U.S. General Services Administration are to be determined by the Federal Highway Administration.

ARTICLE XVIII DISADVANTAGED BUSINESS ENTERPRISES (DBE) PARTICIPATION

- A. CONSULTANT, subrecipient (LOCAL AGENCY), or subconsultant shall take necessary and reasonable steps to ensure that DBEs have opportunities to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, The LOCAL AGENCY shows a contract goal for DBEs. CONSULTANT shall make work available to DBEs and select work parts consistent with available DBE subconsultants and suppliers.

CONSULTANT shall meet the DBE goal shown elsewhere in these special provisions or demonstrate that they made adequate good faith efforts to meet this goal. It is CONSULTANT's responsibility to verify that the DBE firm is certified as DBE at date of proposal opening and document the record by printing out the California Unified Certification Program (CUCP) data for each DBE firm. A list of DBEs certified by the CUCP can be found at dot.ca.gov/programs/civil-rights/dbe-search.

All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal. Credit for materials or supplies CONSULTANT purchases from DBEs counts towards the goal in the following manner:

- 100 percent counts if the materials or supplies are obtained from a DBE manufacturer.
- 60 percent counts if the materials or supplies are purchased from a DBE regular dealer.
- Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a manufacturer nor regular dealer. 49CFR26.55 defines "manufacturer" and "regular dealer."

This AGREEMENT is subject to 49 CFR, Part 26 entitled "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs". CONSULTANTS who enter into a federally funded agreement will assist the LOCAL AGENCY in a good faith effort to achieve California's statewide overall DBE goal.

- B. **The goal for DBE participation for this AGREEMENT is 11.0%.** Participation by DBE CONSULTANT or Subconsultants shall be in accordance with information contained in the CONSULTANT Contract DBE Commitment (LAPM Exhibit 10-O2) attached hereto and incorporated as part of the AGREEMENT (Attachment I, as applicable). If a DBE Subconsultant is unable to perform, CONSULTANT must make a good faith effort to replace him/her with another DBE Subconsultant, if the goal is not otherwise met.
- C. CONSULTANT can meet the DBE participation goal by either documenting commitments to DBEs to meet the AGREEMENT goal, or by documenting adequate good faith efforts to meet the AGREEMENT goal. An adequate good faith effort means that the CONSULTANT must show that it took all necessary and reasonable steps to achieve a DBE goal that, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to meet the DBE goal. If CONSULTANT has not met the DBE goal, complete and submit LAPM Exhibit 15-H: *DBE Information – Good Faith Efforts* to document efforts to meet the goal. Refer to 49 CFR Part 26 for guidance regarding evaluation of good faith efforts to meet the DBE goal.

D. Contract Assurance

Under 49 CFR 26.13(b):

CONSULTANT, subrecipient or subconsultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. CONSULTANT shall carry out applicable requirements of 49 CFR 26 in the award and administration of federal-aid contracts.

Failure by the CONSULTANT to carry out these requirements is a material breach of this AGREEMENT, which may result in the termination of this AGREEMENT or such other remedy as recipient deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments
- (2) Assessing sanctions
- (3) Liquidated damages; and/or
- (4) Disqualifying CONSULTANT from future proposing as non-responsible

E. Termination and Substitution of DBE Subconsultants

CONSULTANT shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless CONSULTANT or DBE subconsultant obtains the LOCAL AGENCY's written consent. CONSULTANT shall not terminate or substitute a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without authorization from the LOCAL AGENCY. Unless the LOCAL AGENCY's consent is provided, the CONSULTANT shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Exhibit 10-02 Consultant Contract DBE Commitment form, included in the Bid.

The LOCAL AGENCY authorizes a request to use other forces or sources of materials if CONSULTANT shows any of the following justifications:

1. Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.
2. The LOCAL AGENCY stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the LOCAL AGENCY's bond requirements.
3. Work requires a consultant's license and listed DBE does not have a valid license under Contractors License Law.

4. Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).
5. Listed DBE's work is unsatisfactory and not in compliance with the contract.
6. Listed DBE is ineligible to work on the project because of suspension or debarment.
7. Listed DBE becomes bankrupt or insolvent.
8. Listed DBE voluntarily withdraws with written notice from the Contract
9. Listed DBE is ineligible to receive credit for the type of work required.
10. Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the Contract.
11. The LOCAL AGENCY determines other documented good cause.

CONSULTANT shall notify the original DBE of the intent to use other forces or material sources and provide the reasons and provide the DBE with 5 days to respond to the notice and advise CONSULTANT and the LOCAL AGENCY of the reasons why the use of other forces or sources of materials should not occur.

CONSULTANT's request to use other forces or material sources must include:

1. One or more of the reasons listed in the preceding paragraph.
2. Notices from CONSULTANT to the DBE regarding the request.
3. Notices from the DBEs to CONSULTANT regarding the request.

If a listed DBE is terminated or substituted, CONSULTANT must make good faith efforts to find another DBE to substitute for the original DBE. The substitute DBE must perform at least the same amount of work as the original DBE under the contract to the extent needed to meet or exceed the DBE goal.

F. Commitment and Utilization

The LOCAL AGENCY's DBE program must include a monitoring and enforcement mechanism to ensure that DBE commitments reconcile to DBE utilization.

The LOCAL AGENCY shall request CONSULTANT to:

1. Notify the LOCAL AGENCY's contract administrator or designated representative of any changes to its anticipated DBE participation
2. Provide this notification before starting the affected work
3. Maintain records including:
 - Name and business address of each 1st-tier subconsultant
 - Name and business address of each DBE subconsultant, DBE vendor, and DBE trucking company, regardless of tier
 - Date of payment and total amount paid to each business (see Exhibit 9-F Monthly Disadvantaged Business Enterprise Payment)

If CONSULTANT is a DBE CONSULTANT, they shall include the date of work performed by their own forces and the corresponding value of the work.

If a DBE is decertified before completing its work, the DBE must notify CONSULTANT in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify CONSULTANT in writing of the certification date. CONSULTANT shall submit the notifications to the LOCAL AGENCY. On work completion, CONSULTANT shall complete a

Disadvantaged Business Enterprises (DBE) Certification Status Change, Exhibit 17-O, form and submit the form to the LOCAL AGENCY within 30 days of contract acceptance.

Upon work completion, CONSULTANT shall complete Exhibit 17-F Final Report – Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors and submit it to the LOCAL AGENCY within 90 days of contract acceptance. The LOCAL AGENCY will withhold \$10,000 until the form is submitted. The LOCAL AGENCY will release the withhold upon submission of the completed form.

In the LOCAL AGENCY's reports of DBE participation to Caltrans, the LOCAL AGENCY must display both commitments and attainments.

- G. A DBE is only eligible to be counted toward the AGREEMENT goal if it performs a commercially useful function (CUF) on the AGREEMENT. CUF must be evaluated on an agreement by agreement basis. A DBE performs a Commercially Useful Function (CUF) when it is responsible for execution of the work of the AGREEMENT and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a CUF, the DBE must also be responsible, with respect to materials and supplies used on the AGREEMENT, for negotiating price, determining quality and quantity, ordering the material and installing (where applicable), and paying for the material itself. To determine whether a DBE is performing a CUF, evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the AGREEMENT is commensurate with the work it is actually performing, and other relevant factors.
- H. A DBE does not perform a CUF if its role is limited to that of an extra participant in a transaction, AGREEMENT, or project through which funds are passed in order to obtain the appearance of DBE participation. In determining whether a DBE is such an extra participant, examine similar transactions, particularly those in which DBEs do not participate.
- I. If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the total cost of its AGREEMENT with its own work force, or the DBE subcontracts a greater portion of the work of the AGREEMENT than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that it is not performing a CUF.
- J. CONSULTANT shall maintain records of materials purchased or supplied from all subcontracts entered into with certified DBEs. The records shall show the name and business address of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE CONSULTANT's shall also show the date of work performed by their own forces along with the corresponding dollar value of the work.
- K. If a DBE subconsultant is decertified during the life of the AGREEMENT, the decertified subconsultant shall notify CONSULTANT in writing with the date of decertification. If a subconsultant becomes a certified DBE during the life of the AGREEMENT, the subconsultant shall notify CONSULTANT in writing with the date of certification. Any changes should be reported to LOCAL AGENCY's Contract Administrator within thirty (30) calendar days.
- L. After submitting an invoice for reimbursement that includes a payment to a DBE, but no later than the 10th of the following month, the prime contractor/consultant shall complete and email the Exhibit 9- F: Disadvantaged Business Enterprise Running Tally of Payments to business.support.unit@dot.ca.gov with a copy to the Agency.

AWE will review the contractor supplied biologist's resumes prior to submittal to regulatory agencies for approval and will submit the resumes for approval.

AWE will review biological and SWPPP report submittals and provide comments.

AWE will also attend one Worker Environmental Awareness Training presented by the contractor supplied biologist each construction year and conduct up to two site visits per month during active construction to review the contractor's implementation of the SWPPP and biological resource avoidance measures.

AWE will review weather reports and identify when the contractor's SWPPP compliance manager should complete site visits.

AWE will prepare a biological and environmental monitoring plan, conduct agency notifications for start of work and completion of work, coordinate with regulatory agency staff as-needed, and submit the contractor-supplied biologists permit-required reports to appropriate regulatory agencies.

AWE will also prepare and complete a permit compliance/environmental commitment record to support documenting the project's compliance with all environmental requirements.

AWE will be available to assist the County with cultural resource coordination.

Assumptions

- AWE will attend one (1) kick-off meeting.
- AWE assumes there will be up to 22 site visits, up to 40 hours for internal team and agency coordination, and up to 60 hours for cultural resource coordination.
- AWE assume that no paleontological oversight required
- AWE assumes that the project will be completed within 2 calendar years.

Task 4B: Hydroacoustic Monitoring Oversight

Hydroacoustic Monitoring Oversight of the Contractor will be performed by subconsultant, Illingworth & Rodkin (I&R).

- I&R, a NMFS permit agency recognized expert in hydroacoustic monitoring, will assist Consor with review of contractor work plans and oversight of field operations, as needed.

Deliverables

- ✓ Biological and Environmental Monitoring Plan
- ✓ Permit Compliance/Environmental Commitment Record
- ✓ Site visit reports
- ✓ Review comments on Contractor qualification/resume submittals

Task 5: Materials Sampling and Testing

Materials sampling and testing will be performed by subconsultant, Pavement Engineering, Inc. (PEI).

- PEI will perform sampling and materials testing per the project specifications and the County's Quality Assurance Program. Typical tests include:
 - Soil compaction testing
 - Soil gradation, Cleanness Value, and Sand Equivalent for embankment, structure backfill, and aggregate base
 - Rebar testing (mechanical and/or welded splices)

- Concrete and HMA field sampling and testing
- Concrete Compressive Strength
- Aggregate gradation, Cleanness Value, Sand Equivalent, and LA Rattler for concrete and HMA
- Batch plant inspections for HMA and Concrete
- Consor staff will coordinate timely testing and determination of correct testing methods and procedures for bridge and roadway work. Consor will also accept or reject materials based on test results.
- Consor will maintain logs for materials sampling and testing results.
- Consor will maintain logs for materials accepted by Certificate of Compliance.

Deliverables

- ✓ Materials test reports

Task 6: Labor Compliance

Labor compliance will be performed by subconsultant, Webster Engineering.

- Webster will assist Consor with labor compliance duties enforcing the contract requirements as they pertain to Labor Compliance, Equal Employment Opportunity, Prevailing Wage, and Disadvantaged Business Enterprise according to Caltrans Local Assistance Procedures, as needed, to verify compliance with all State and Federal laws.
- Webster will perform periodic reviews of the Contractor payroll records for labor compliance including:
 - Monitoring and auditing certified payrolls of the Contractor's and subcontractor's personnel for prevailing wages,
 - Review field labor compliance and EEO interviews (interviews may be performed by Consor field staff), and
 - Monitoring Contractor apprenticeship programs.

Deliverables

- ✓ Labor compliance review documents

Task 7: Survey Verification

The Contractor will provide all construction staking for the project. Survey verification will be performed by Consor's subconsultant, UNICO. UNICO will verify critical layouts and elevations as requested. Typical verification includes:

- Survey Control
- Right-of-Way and Temporary Construction Easements (TCE's)
- Bridge Abutment, Pier, and Deck Layouts
- Roadway Staking
- Other locations as required

Deliverables

- ✓ Survey notes and data

Task 8: Profilograph

Profilograph will be performed by Consor's subcontractor, JRG Profile (JRG). JRG will verify using a profilograph in accordance with California Test Method and Caltrans' Bridge Deck Construction Manual.

Deliverables

- ✓ Profilograph traces

Task 9: Post-Construction Services

Consor staff will perform the following as required during this task:

TEHAMA COUNTY
EVERGREEN ROAD BRIDGE REPLACEMENT PROJECT

- Perform final observation of the project upon completion to confirm substantial conformity with contract documents.
- Compute the final quantities and prepare the final estimate of cost.
- Determine quantity over-runs and under-runs and provide explanation of each, as needed.
- Prepare the Proposed Final Estimate for Contractor agreement.
- Draft and assemble the Final Report of Expenditures, including Change Order Summary, Liquidated Damages/Contractors' Claims Report, Materials Certificate, Report of Completion of Structures, DBE exhibits 17-F and 17-O (to be provided by the Contractor) and such other forms and reports as may be required for the County to complete and provide to Caltrans.
- Finalize black-line as-built plans for use by the Design Engineer to develop "Final As-built" drawings.
- Resolution of Contract Claims: Assist the County to resolve claims and disputes to minimize impacts to the project. If a potential claim cannot be resolved during the construction phase, it becomes a claim. If the claim cannot be immediately resolved, Consor will recommend alternative actions to the County for consideration.

Due to the nature of Contract Claims and Dispute Resolution and the difficulty in estimating the scope and effort required (before construction activities have begun), and if possible, within the allocated administration and inspection budget, we will assist the County in resolving the claims and disputes. In the event that additional effort, beyond the scope of day-to-day administration and inspection operations is required, a contract amendment for this additional budget will be requested.

Deliverables

- ✓ Final quantities
- ✓ Explanation of quantity under/over-runs, as needed
- ✓ Proposed final estimate
- ✓ Draft Final Report of Expenditures (County to complete and submit)
- ✓ Record as-built changes for final as-built drawings
- ✓ Hard copy project records ready for archiving
- ✓ Virtual Project Manager copy of electronic records ready for archiving

Assumption: Apprentice Inspectors

Due to apprenticeship requirements by the California Department of Industrial Relations (CA DIR), prevailing wage eligible projects must notify and register with CA DIR and solicit apprentice inspectors from training programs. Response by apprentices for inclusion on projects has been historically low, however, if an apprentice responds to the solicitation, they must be hired on the spot and provided training as part of the project.

Due to the difficulty in estimating the probability and effort required, we will incorporate the apprentice inspector, if possible, within the allocated administration and inspection budget. However, if additional budget is required, a contract amendment for additional budget will be requested.

Actual Cost-Plus-Fixed Fee or Lump Sum (Firm Fixed Price) contracts
 (Calculations for Anticipated Salary Increases)

Consultant _____ Consor _____ Contract No. _____ TBD _____ Date 12/22/2022

1. Calculate average hourly rate for 1st year of the contract (Direct Labor Subtotal divided by total hours)

	Direct Labor Subtotal per Cost Proposal		Total Hours per Cost Proposal		Avg Hourly Rate	Contract Duration
Year 1 (2023)	\$ 565,278.60	/	7,202	=	\$78.49	Year 1 Avg Hourly Rate

Year 3 (2025)	\$86.53	+	5.0%	=	\$90.86	Year 4 Avg Hourly Rate
Year 4 (2026)	\$90.86	+	5.0%	=	\$95.40	Year 5 Avg Hourly Rate

3. Calculate estimated hours per year (Multiply estimate % each period by total hours)

	Estimated % Completed Each Period		Total Hours per Cost Proposal		Total Hours per Period	
Year 1 (2023)	50.00%	*	7202	=	3601	Estimated Hours Year 1
Year 2 (2024)	50.00%	*	7202	=	3601	Estimated Hours Year 2

Year 5 (2027)	0.00%	*	7202	=	0	Estimated Hours Year 5
Total	100%		Total	=	7202	

4. Calculate Total Costs including Escalation (multiply average hourly rate by the number of hours)

	Avg Hourly Rate (calculated above)		Estimated Hours (calculated above)		Cost Per Period	
Year 1 (2023)	\$78.49	*	3601	=	\$282,639.30	Estimated Hours Year 1
Year 2 (2024)	\$82.41	*	3601	=	\$296,771.27	Estimated Hours Year 2
Year 3 (2025)	\$86.53	*	0	=	\$0.00	Estimated Hours Year 3
Year 4 (2026)	\$90.86	*	0	=	\$0.00	Estimated Hours Year 4
Year 5 (2027)	\$95.40	*	0	=	\$0.00	Estimated Hours Year 5

Total Direct Labor Cost with Escalation	=	\$579,410.57	
Direct Labor Subtotal before escalation	=	\$565,278.60	
Estimated total of Direct Labor Salary Increase	=	\$14,131.97	Transfer to Page 1

NOTES:

1. This is not the only way to estimate salary increases. Other methods will be accepted if they clearly indicate the % increase, the # of years of the contract, and a breakdown of the labor to be performed each year.
2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable.
(i.e. \$250,000 x 2% x 5 yrs = \$25,000 is not an acceptable methodology.)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

COST PROPOSAL 1

Actual Cost-Plus-Fixed Fee or Lump Sum (Firm Fixed Price) contracts

(Calculations for Anticipated Salary Increases)

Consultant PAVEMENT ENGINEERING INC. Contract No. BRLOZB-5908(025) Date 1/3/2023

1. Calculate average hourly rate for 1st year of the contract (Direct Labor Subtotal divided by total hours)

	Direct Labor Subtotal per Cost Proposal		Total Hours per Cost Proposal		Avg Hourly Rate	Contract Duration
	\$ 44,992.98	/	681	=	\$66.07	Year 1 Avg Hourly Rate
	Avg Hourly Rate		Proposed Escalation			
Year 1 (2023)	\$66.07	+	5.0%	=	\$69.37	Year 2 Avg Hourly Rate
Year 2 (2024)	\$69.37	+	5.0%	=	\$72.84	Year 3 Avg Hourly Rate
Year 3 (2025)	\$72.84	+	5.0%	=	\$76.48	Year 4 Avg Hourly Rate
Year 4 (2026)	\$76.48	+	5.0%	=	\$80.31	Year 5 Avg Hourly Rate

3. Calculate estimated hours per year (Multiply estimate % each period by total hours)

	Estimated % Completed Each Period		Total Hours per Cost Proposal		Total Hours per Period	
Year 1 (2023)	50.00%	*	681	=	340.5	Estimated Hours Year 1
Year 2 (2024)	50.00%	*	681	=	340.5	Estimated Hours Year 2
Year 3 (2025)	0.00%	*	681	=	0	Estimated Hours Year 3
Year 4 (2026)	0.00%	*	681	=	0	Estimated Hours Year 4
Year 5 (2027)	0.00%	*	681	=	0	Estimated Hours Year 5
Total	100%		Total	=	681	

4. Calculate Total Costs including Escalation (multiply average hourly rate by the number of hours)

	Avg Hourly Rate (calculated above)		Estimated Hours (calculated above)		Cost Per Period	
Year 1 (2023)	\$66.07	*	340.5	=	\$22,496.49	Estimated Hours Year 1
Year 2 (2024)	\$69.37	*	340.5	=	\$23,621.31	Estimated Hours Year 2
Year 3 (2025)	\$72.84	*	0	=	\$0.00	Estimated Hours Year 3
Year 4 (2026)	\$76.48	*	0	=	\$0.00	Estimated Hours Year 4
Year 5 (2027)	\$80.31	*	0	=	\$0.00	Estimated Hours Year 5
Total Direct Labor Cost with Escalation				=	\$46,117.80	
Direct Labor Subtotal before escalation				=	\$44,992.98	
Estimated total of Direct Labor Salary Increase				=	\$1,124.82	Transfer to Page 1

NOTES:

1. This is not the only way to estimate salary increases. Other methods will be accepted if they clearly indicate the % increase, the # of years of the contract, and a breakdown of the labor to be performed each year.
2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable.
(i.e. \$250,000 x 2% x 5 yrs = \$25,000 is not an acceptable methodology.)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

Certification of Direct Costs:

I, the undersigned, certify to the best of my knowledge and belief that all direct costs identified on the cost proposal(s) in this contract are actual, reasonable, and allocable to the contract in accordance with the contract terms and the following requirements:

1. Generally Accepted Accounting Principles (GAAP)
2. Terms and conditions of the contract
3. [Title 23 United States Code Section 112](#) - Letting of Contracts
4. [48 Code of Federal Regulations Part 31](#) - Contract Cost Principles and Procedures
5. [23 Code of Federal Regulations Part 172](#) - Procurement, Management, and Administration of Engineering and Design Related Service

All costs must be applied consistently and fairly to all contracts. All documentation of compliance must be retained in the project files and be in compliance with applicable federal and state requirements. Costs that are noncompliant with the federal and state requirements are not eligible for reimbursement.

Local governments are responsible for applying only cognizant agency approved or Caltrans accepted Indirect Cost Rate(s).

2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable.
(i.e. \$250,000 x 2% x 5 yrs = \$25,000 is not an acceptable methodology.)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

Total	100%		Total	=	216	

4. Calculate Total Costs including Escalation (multiply average hourly rate by the number of hours)

	Avg Hourly Rate (calculated above)		Estimated Hours (calculated above)		Cost Per Period	
Year 1 (2023)	\$72.64	*	108	=	\$7,845.60	Estimated Hours Year 1
Year 2 (2024)	\$76.28	*	108	=	\$8,237.88	Estimated Hours Year 2
Year 3 (2025)	\$80.09	*	0	=	\$0.00	Estimated Hours Year 3
Year 4 (2026)	\$84.10	*	0	=	\$0.00	Estimated Hours Year 4
Year 5 (2027)	\$88.30	*	0	=	\$0.00	Estimated Hours Year 5

Total Direct Labor Cost with Escalation	=	\$16,083.48	
Direct Labor Subtotal before escalation	=	\$15,691.20	
Estimated total of Direct Labor Salary Increase	=	\$392.28	Transfer to Page 1

NOTES:

1. This is not the only way to estimate salary increases. Other methods will be accepted if they clearly indicate the % increase, the # of years of the contract, and a breakdown of the labor to be performed each year.
2. An estimation that is based on direct labor multiplied by salary increase % multiplied by the # of years is not acceptable.
(i.e. \$250,000 x 2% x 5 yrs = \$25,000 is not an acceptable methodology.)
3. This assumes that one year will be worked at the rate on the cost proposal before salary increases are granted.
4. Calculations for anticipated salary escalation must be provided.

INSURANCE REQUIREMENTS FOR CONTRACTOR

Contractor shall procure and maintain, for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work described herein and the results of that work by Contractor, his/her agents, representatives, employees or subcontractors. At a minimum, Contractor shall maintain the insurance coverage, limits of coverage and other insurance requirements as described below.

Commercial General Liability (including operations, products and completed operations) \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If coverage is subject to an aggregate limit, that aggregate limit will be twice the occurrence limit, or the general aggregate limit shall apply separately to this project/location.

Automobile Liability

Automobile liability insurance is required with minimum limits of \$1,000,000 per accident for bodily injury and property damage, including owned and non-owned and hired automobile coverage, as applicable to the scope of services defined under this agreement.

Workers' Compensation

If Contractor has employees, he/she shall obtain and maintain continuously Workers' Compensation insurance to cover Contractor and Contractor's employees and volunteers, as required by the State of California, as well as Employer's Liability insurance in the minimum amount of \$1,000,000 per accident for bodily injury or disease.

Professional Liability (Contractor/Professional services standard agreement only)

If Contractor is a state-licensed architect, engineer, contractor, counselor, attorney, accountant, medical provider, and/or other professional licensed by the State of California to practice a profession, Contractor shall provide and maintain in full force and effect while providing services pursuant to this contract a professional liability policy (also known as Errors and Omissions or Malpractice liability insurance) with single limits of liability not less than \$1,000,000 per claim and \$2,000,000 aggregate on a claims made basis. However, if

coverage is written on a claims made basis, the policy shall be endorsed to provide coverage for at least three years from termination of agreement.

If Contractor maintains higher limits than the minimums shown above, County shall be entitled to coverage for the higher limits maintained by Contractor.

All such insurance coverage, except professional liability insurance, shall be provided on an “occurrence” basis, rather than a “claims made” basis.

Endorsements: Additional Insureds

The Commercial General Liability and Automobile Liability policies shall include, or be endorsed to include “Tehama County, its elected officials, officers, employees and volunteers” as an additional insured.

The certificate holder shall be “County of Tehama.”

Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions of \$25,000 or more must be declared to, and approved by, the County. The deductible and/or self-insured retentions will not limit or apply to Contractor’s liability to County and will be the sole responsibility of Contractor.

Primary Insurance Coverage

For any claims related to this project, Contractor’s insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of Contractor’s insurance and shall not contribute with it.

Coverage Cancellation

Each insurance policy required herein shall be endorsed to state that “coverage shall not be reduced or canceled without 30 days’ prior written notice certain to the County.”

Acceptability of Insurers

Contractor’s insurance shall be placed with an insurance carrier holding a current A.M. Best & Company’s rating of not less than A:VII unless otherwise acceptable to the County. The County

reserves the right to require rating verification. Contractor shall ensure that the insurance carrier shall be authorized to transact business in the State of California.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance that meets all the requirements stated herein.

Material Breach

If for any reason, Contractor fails to maintain insurance coverage or to provide evidence of renewal, the same shall be deemed a material breach of contract. County, in its sole option, may terminate the contract and obtain damages from Contractor resulting from breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

Policy Obligations

Contractor's indemnity and other obligations shall not be limited by the foregoing insurance requirements.

Verification of Coverage

Contractor shall furnish County with original certificates and endorsements effecting coverage required herein. All certificates and endorsements shall be received and approved by the County prior to County signing the agreement and before work commences. However, failure to do so shall not operate as a waiver of these insurance requirements.

The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.
