During the term of this agreement, Contractor shall provide the laboratory drug testing services as listed in Exhibit C, attached hereto and made a part of this agreement.

Contractor shall provide all supplies and services necessary for these tests, including all specimen collection supplies and pre-paid mailing materials for shipment of specimens from County to Contractor. The results of each test shall be provided to the County promptly after Contractor receives the specimen from County.

Contractor shall ensure that all contracts between Contractor and County shall be carried out with equal priority. Contractor shall ensure that the award of this contract will not affect Contractor's ability to perform the duties specified in the other contracts with County.

2. RESPONSIBILITIES OF THE COUNTY

County shall compensate Contractor for said services pursuant to Section 3 and 4 of this agreement.

3. COMPENSATION

Contractor shall be paid in accordance with the rates set forth in the Fee Schedule, attached hereto as Exhibit "C" after satisfactorily completing the duties described in this Agreement. The Maximum Compensation payable under this Agreement shall not exceed \$25,000. Contractor shall not be entitled to payment or reimbursement for any tasks or services performed except as

specified herein. Contractor shall have no claim against County for payment of any compensation or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Contractor shall not be paid any amount in excess of the Maximum Compensation amount set forth above, and Contractor agrees that County has no obligation, whatsoever, to compensate or reimburse Contractor for any expenses, direct or indirect costs, expenditures, or charges of any nature by Contractor that exceed the Maximum Compensation amount set forth above. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. This provision shall survive the expiration or other termination of this Agreement.

4. **BILLING AND PAYMENT**

On or before the 15th of each month, Contractor shall submit to County an itemized invoice for all services rendered during the preceding calendar month. County shall make payment of all undisputed amounts within 30 days of receipt of Contractor's invoice. County shall be obligated to pay only for services properly invoiced in accordance with this section.

Either party may terminate this agreement on 30 days' written notice. County shall pay contractor for all work satisfactorily completed as of the date of notice. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased, or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year. The County's right to terminate this agreement may be exercised by the Director, the Chairperson of the Tehama County Board of

Supervisors or the Purchasing Agent, as indicated on the signatory page.

7. **ENTIRE AGREEMENT; MODIFICATION**

This agreement for the services specified herein supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no other oral or written representation.

8. **NONASSIGNMENT OF AGREEMENT**

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of the County.

9. **EMPLOYMENT STATUS**

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to insure that the services shall be rendered and performed in a competent, efficient and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Contractor, if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's Workers Compensation Insurance Plan nor shall Contractor be eligible for any other County benefit.

10. **INDEMNIFICATION**

Contractor shall hold harmless, defend, and indemnify County, its agents, officers, and employees against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees, expert fees, litigation costs, and investigation costs), damages, judgements or decrees by reason of any third-party person's or persons' bodily injury, including death, or property (including property of County) being damaged by the negligent acts, willful acts, or errors or omissions of Contractor, or any person employed by or under Contractor in any capacity, during the provision of services provided for herein, except to the extent the injury or loss is caused by the negligence of intentional wrongdoing of County.

County shall hold harmless, defend, and indemnify Contractor, its agents, officers, and employees against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees, expert fees, litigation costs, and investigation costs), damages, judgements or decrees by reason of any third-party person's or persons' bodily injury, including death, or property (including property of Contractor) being damaged by the negligent acts, willful acts, or errors or omissions of County, or any person employed by or under County in any capacity, during the provision of services provided for herein, except to the extent the injury or loss is caused by the negligence of intentional wrongdoing of Contractor.

11. **INSURANCE**

Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

12. **PREVAILING WAGE**

Contractor certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the

Services hereunder are being performed as part of an applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office, and will make this information available to any interested party upon request. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a “public work.” To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13. NON-DISCRIMINATION

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.
