

**AGREEMENT BETWEEN THE COUNTY OF TEHAMA AND
DAY WIRELESS SYSTEMS**

This agreement is entered into between the County of Tehama, through its Sheriff's Office, ("County") and Day Management Corporation DBA Day Wireless Systems ("Contractor") for the purpose of providing radio communications service and associated products to public agencies and private entities in and about Tehama County.

1) RESPONSIBILITIES OF CONTRACTOR

During the term of this agreement, Contractor shall upon request by the Tehama County Sheriff's Office agree to provide reasonable maintenance of the Radio System, including periodic evaluation of the Radio System to assist in assuring efficient, safe operations of the Radio System. A description of included and excluded Radio System maintenance services, equipment by model and serial number is provided in Exhibit B.

Contractor shall go to the Inskip repeater site to view equipment and test at least quarterly and let the Sheriff's Office know the dates and coordinate with the Tehama County Communications Coordinator to test the equipment.

Contractor shall make such repairs, as are necessary, to correct any broken or malfunctioning hardware or portion thereof, with the intent of providing to the County, to the extent reasonable and possible, continuous operation of the Radio System. In the event the County requires emergency repair of the Radio System or any portion thereof, Contractor shall make its personnel available for such activity in accord with the terms hereof. Nothing contained herein shall be deemed to be Contractor's guarantee that it will take any specific or special actions to obtain or maintain an inventory of spare parts for the purpose of making repairs, provided however, Contractor agrees that any spare parts purchased by the County for the specific purposes of accommodating future repairs of the Radio System, will be stored by Contractor and reserved solely for the purposes of repairing the Radio System. Nothing contained herein shall be deemed to be any warranty given by Contractor that (i) Contractor will be able to determine the source of any outage of the Radio System; (ii) that absent the County's prior purchase of necessary spare parts, Contractor will have the spare parts necessary to make repairs to the Radio System; (iii) that Contractor will possess all knowledge and experience necessary to repair the Radio System; (iv) that such repairs will be completed within any particular time period; or (v)

that Contractor is able to predict any potential failure of the Radio System or any portion thereof. Contractor acknowledges the County's requirement for timely maintenance services, therefore, should Contractor not be able to perform any maintenance services described herein, Contractor shall so notify and inform the County. Within two (2) days following Contractor making such determination, Contractor shall reiterate its determination in writing to the County. Upon receipt of such notification and/or determination from Contractor (whether verbally or in writing), the County, at its own option, may cause a third party(ies) to perform those maintenance services which Contractor has determined are beyond its capacity.

2) RESPONSIBILITIES OF THE COUNTY

County shall compensate Contractor for said services pursuant to Section 3 and 4 of this agreement.

3) COMPENSATION

Contractor shall be paid in accordance with the rates set forth in the Fee Schedule, attached hereto as Exhibit B, after satisfactorily completing the duties described in this Agreement. The Maximum Compensation payable under this Agreement shall not exceed \$31,584.00. Contractor shall not be entitled to payment or reimbursement for any tasks or services performed except as specified herein. Contractor shall have no claim against County for payment of any compensation or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Contractor shall not be paid any amount in excess of the Maximum Compensation amount set forth above, and Contractor agrees that County has no obligation, whatsoever, to compensate or reimburse Contractor for any expenses, direct or indirect costs, expenditures, or charges of any nature by Contractor that exceed the Maximum Compensation amount set forth above. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. This provision shall survive the expiration or other termination of this Agreement.

4) BILLING AND PAYMENT

On or before the 15th of each month, Contractor shall submit to County an itemized invoice for all services rendered during the preceding calendar month. County shall make payment of all undisputed amounts within 30 days of receipt of Contractor's invoice. County shall be obligated to pay only for services properly invoiced in accordance with this section.

5) TERM OF AGREEMENT

This agreement shall commence on August 1, 2024 and shall terminate July 31, 2025, unless terminated in accordance with section 6 below.

6) TERMINATION OF AGREEMENT

If Contractor fails to perform his/her duties to the satisfaction of the County, or if Contractor fails to fulfill in a timely and professional manner his/her obligations under this agreement, or if Contractor violates any of the terms or provisions of this agreement, then the County shall have the right to terminate this agreement effective immediately upon the County giving written notice thereof to the Contractor. Either party may terminate this agreement on 30 days' written notice. County shall pay contractor for all work satisfactorily completed as of the date of notice. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased, or should the Tehama County Board of Supervisors fail to appropriate sufficient funds for this agreement in any fiscal year.

The County's right to terminate this agreement may be exercised by the Sheriff-Coroner.

7) ENTIRE AGREEMENT; MODIFICATION

This agreement for the services specified herein supersedes all previous agreements for these services and constitutes the entire understanding between the parties hereto. Contractor shall be entitled to no other benefits other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both parties. Contractor specifically acknowledges that in entering into and executing this agreement, Contractor relies solely upon the provisions contained in this agreement and no other oral or written representation.

8) NONASSIGNMENT OF AGREEMENT

Inasmuch as this agreement is intended to secure the specialized services of Contractor, Contractor may not assign, transfer, delegate or sublet any interest herein without the prior written consent of the County.

9) EMPLOYMENT STATUS

Contractor shall, during the entire term of this agreement, be construed to be an independent contractor and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Contractor performs the services which are the subject matter of this agreement; provided always, however, that the services to be provided by Contractor shall be provided in a manner consistent with the professional standards applicable to such services. The sole interest of the County is to insure that the services shall be rendered and performed in a competent, efficient and satisfactory manner. Contractor shall be fully responsible for payment of all taxes due to the State of California or the Federal government, which would be withheld from compensation of Contractor, if Contractor were a County employee. County shall not be liable for deductions for any amount for any purpose from Contractor's compensation. Contractor shall not be eligible for coverage under County's Workers Compensation Insurance Plan nor shall Contractor be eligible for any other County benefit.

10) INDEMNIFICATION

Contractor shall defend, hold harmless, and indemnify Tehama County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including but not limited to reasonable attorney's fees of County), damages, judgments, or decrees by reason of any person's or persons' injury, including death, or property (including property of County) being damaged, arising out of contractor's performance of work hereunder or its failure to comply with any of its obligations contained in this agreement, whether by negligence or otherwise. Contractor shall, at its own expense, defend any suit or action founded upon a claim of the foregoing. Contractor shall also defend and indemnify County against any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency against the County with respect to Contractor's "independent contractor" status that would establish a liability for failure to make social security or income tax withholding payments, or any other legally mandated payment.

11) INSURANCE

Contractor shall procure and maintain insurance pursuant to Exhibit A, "Insurance Requirements For Contractor," attached hereto and incorporated by reference.

12) PREVAILING WAGE

Contractor certifies that it is aware of the requirements of California Labor Code Sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. (“Prevailing Wage Laws”), which require the payment of prevailing wage rates and the performance of other requirements on certain “public works” and “maintenance” projects. If the Services hereunder are being performed as part of an applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Contractor agrees to fully comply with and to require its subcontractors to fully comply with such Prevailing Wage Laws, to the extent that such laws apply. If applicable, County will maintain the general prevailing rate of per diem wages and other information set forth in Labor Code section 1773 at its principal office, and will make this information available to any interested party upon request. Contractor shall defend, indemnify and hold the County, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any failure or alleged failure of the Contractor or its subcontractors to comply with the Prevailing Wage Laws. Without limiting the generality of the foregoing, Contractor specifically acknowledges that County has not affirmatively represented to contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a “public work.” To the fullest extent permitted by law, Contractor hereby specifically waives and agrees not to assert, in any manner, any past, present, or future claim for indemnification under Labor Code section 1781.

Contractor acknowledges the requirements of Labor Code sections 1725.5 and 1771.1 which provide that no contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5, with exceptions from this requirement specified under Labor Code sections 1725.5(f), 1771.1(a) and 1771.1(n).

If the services are being performed as part of the applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, Contractor acknowledges that this project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

13) NON-DISCRIMINATION

Contractor shall not employ discriminatory practices in the treatment of persons in relation to the circumstances provided for herein, including assignment of accommodations, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

14) GREEN PROCUREMENT POLICY

Through Tehama County Resolution No. 2021-140, the County adopted the Recovered Organic Waste Product Procurement Policy (available upon request) to (1) protect and conserve natural resources, water and energy; (2) minimize the jurisdiction's contribution to pollution and solid waste disposal; (3) comply with state requirements as contained in 14 CCR Division 7, Chapter 12, Article 12 (SB 1383); (4) support recycling and waste reduction; and (5) promote the purchase of products made with recycled materials, in compliance with the California Integrated Waste Management Act of 1989 (AB 939) and SB1382 when product fitness and quality are equal and they are available at the same or lesser cost of non-recycled products. Contractor shall adhere to this policy as required therein and is otherwise encouraged to conform to this policy.

15) COMPLIANCE WITH LAWS AND REGULATIONS

All services to be performed by Contractor under to this Agreement shall be performed in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations. Any change in status, licensure, or ability to perform activities, as set forth herein, must be reported to the County immediately.

16) LAW AND VENUE

This agreement shall be deemed to be made in, and shall be governed by and construed in accordance with the laws of the State of California (excepting any conflict of laws provisions which would serve to defeat application of California substantive law). Venue for any action arising from this agreement shall be in Tehama County, California.

17) AUTHORITY

Each party executing this Agreement and each person executing this Agreement in any representative capacity, hereby fully and completely warrants to all other parties that he or she has full and complete authority to bind the person or entity on whose behalf the signing party is purposing to act.

23) NO THIRD PARTY BENEFICIARIES:

Neither party intends that any person shall have a cause of action against either of them as a third party beneficiary under this Agreement. However, if

If Contractor maintains higher limits than the minimums shown above, County shall be entitled to coverage for the higher limits maintained by Contractor.

All such insurance coverage, except professional liability insurance, shall be provided on an "occurrence" basis, rather than a "claims made" basis.

If for any reason, Contractor fails to maintain insurance coverage or to provide evidence of renewal, the same shall be deemed a material breach of contract. County, in its sole option, may terminate the contract and obtain damages from Contractor resulting from breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

Policy Obligations

Contractor's indemnity and other obligations shall not be limited by the foregoing insurance requirements.

Verification of Coverage

Contractor shall furnish County with original certificates and endorsements effecting coverage required herein. All certificates and endorsements shall be received and approved by the County prior to County signing the agreement and before work commences. However, failure to do so shall not operate as a waiver of these insurance requirements.

The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.
