

**AGREEMENT BETWEEN TEHAMA COUNTY LIBRARY
AND THE IMPERIAL COUNTY OFFICE OF EDUCATION
FOR THE PROVISION, INSTALLATION, AND MAINTENANCE
OF ADVANCED NETWORK (DATA) SERVICE**

This Agreement, hereinafter referred to as “Agreement,” is entered into as of March 1, 2024, by and between the Imperial County Office of Education, hereinafter referred to as “ICOE,” and Tehama County Library, hereinafter referred to as “Library”. ICOE and Library are sometimes referred to in this Agreement individually as “Party” and collectively as “Parties”. All written communications between the parties shall be addressed as follows unless and until amended in writing by the respective party.

WITNESS THAT

WHEREAS, ICOE is the Statewide Broadband Access Administrator for the California State Library Broadband Services Project (“Project”); and

WHEREAS, ICOE, on behalf of the California State Library, has contracted with the Corporation for Education Network Initiatives in California (“CENIC”) and its subsidiaries to provide high-speed networking to libraries in California; and

WHEREAS, the Library desires to enter into an agreement with ICOE to obtain one or more data circuits to connect the Library to the CENIC high-speed broadband fiber network, CalREN, and, if specified in Appendix #1, attached, to connect the Library to other library sites as identified in said Appendix for the purpose of connecting to CalREN.

NOW, THEREFORE, the Library and ICOE enter into this Agreement:

1. Purpose

It is the purpose of this Agreement to set forth the terms and conditions applicable to the provision of communications and related network services to the Library under the Project.

2. Services to be Provided

Parties understand that the primary communications infrastructure CENIC provides is the California Research and Education Network (“CalREN”). Services that CENIC will provide to Libraries will include the use of CalREN and contracting for and provision of data circuits supplied by network service providers.

ICOE, on behalf of Library, will contract with CENIC for such data circuits. Specific circuits and their costs are included in Appendix #1 attached, which may be amended from time to time by

mutually signed Addenda (“Services”). ICOE assures Library that CENIC or ICOE will notify Library of installation requirements and necessary maintenance instructions. Neither CENIC nor ICOE shall be responsible for operating or maintaining software, equipment, or cabling that connects equipment or network services not provided by CENIC for the Services unless specifically agreed to in writing by CENIC.

Parties agree to provide notice to the other Party within 10 calendar days of a failure by CENIC or the network service provider to deliver Services or otherwise comply with the terms described in this Agreement, including Appendix #1 and subsequent Addenda. If noticed non-performance is not cured in a timely manner, Parties agree to meet within 10 days of said notice and discuss appropriate remedies, including but not limited to cancellation of related services or service credits as specified in the underlying agreements between CENIC and its network service provider and ICOE and CENIC.

Library is responsible for calculating and paying any early termination penalties that might apply due to the cancellation of existing connections so that it may receive Services under this Agreement.

Library is responsible for completing, signing, and submitting any required Letter of Agency or related documentation to confirm its participation in and eligibility for the E-rate Consortia and to authorize CENIC, as the E-rate Consortia lead, to act on its behalf as described under the Letter of Agency for the purpose of securing E-rate discounts.

Library is further responsible for completing, signing, and submitting any responsible Letter of Authorization, or related documentation, to the California Public Utilities Commission to authorize ICOE and CENIC to act on its behalf to submit an application and supporting documentation for the purpose of receiving discounts on eligible network services as part of the California Teleconnect Fund program.

If the Library is currently receiving E-rate funding for its existing services, the Library remains responsible for continuing to apply for that E-rate funding until all CENIC Services are turned up and existing E-rate supported services are canceled.

3. Term and Termination of this Agreement

(a) TERM OF THIS AGREEMENT. This Agreement shall be in effect from March 1, 2024, until the termination of all Services, including the circuits ordered under this Agreement (as defined in Appendix #1: CENIC Circuit Quote and any subsequent Addenda under this Agreement), or unless otherwise terminated by a Party pursuant to the terms of this Agreement. Specific terms for the circuits provided pursuant to this Agreement shall depend on the specific date such circuit is “handed off” to Library pursuant to Appendix #1 or subsequent Addenda or as noticed in writing by CENIC to Library.

(b) TERMINATION. Termination of this Agreement prior to the end date of any given circuit, as described in Appendix #1 or subsequent Addenda, shall result in Library paying any applicable circuit telecommunications carrier termination charges or similar early termination charges that ICOE incurs under its agreement with CENIC resulting from early termination of the Service.

(c) Notwithstanding the above, upon a sixty (60) days written notice prior to the second and each

following June 30 after a circuit is installed, Library may cancel a circuit without penalty if it verifies to ICOE and CENIC that funding to pay for that circuit is not available and Library agrees that for at least 12 months after said notice it will not order or otherwise obtain a replacement circuit or substantially similar services in place of the canceled circuit.

- (d) Library may terminate this Agreement with no penalty if non-recurring, one-time costs for all circuits included in Appendix #1 and any subsequent Addenda are materially increased by the telecommunications carrier from the amount shown in Appendix #1.
- (e) ICOE may terminate this Agreement or assign its rights and responsibilities under this Agreement to a third party upon no less than sixty (60) days written notice to Library in the event of termination or expiration of its duties and obligations under the Project and with written approval of the California State Library.

4. Payment

ICOE bills quarterly in arrears. Payment for services shall be due within thirty (30) days of receipt of an ICOE invoice reflecting the provision of the services for which the invoice is sent or as otherwise agreed to by the Library and ICOE. Except for non-recurring costs, if any, costs in Appendix #1 and any subsequent Addenda shall only begin upon installation of circuit(s). The Library will put forth reasonable efforts to make payments within thirty (30) days after receipt of the invoice. The Library understands and agrees that ICOE will only make payment to CENIC for services upon receipt of related payments from the Library. If the Library fails to make payments within thirty (30) days after receipt of the invoice, it agrees to pay any reasonable late payment fees incurred by ICOE under its agreement with CENIC.

Unless otherwise agreed to between the Parties, all circuit deployment fees, if any, as set forth in Appendix #1 and subsequent Addenda, are non-cancelable and non-refundable. Upon termination of this Agreement, or any Services provided under this Agreement, any outstanding circuit deployment fees, outstanding recurring charges, non-recurring fees, applicable circuit termination charges, and applicable early termination penalties shall become due and payable immediately upon termination.

5. Miscellaneous

- (a) **CONDITIONS OF USE.** Library agrees to conform to the CENIC Appropriate Use Policy located at <https://cenic.org/network/policies/acceptable-use-policy> (revised September 13, 2004) and to any specific conditions of use imposed by network service providers or subcontractors providing communications services to CENIC as may be in force at the time such services are made available, including pursuant to an Addendum to this Agreement. If CENIC, subcontractors, or network service provider conditions of use are modified, Library will be notified and if Library believes it can no longer conform to their requirements, Library shall have one hundred eighty (180) days from the notice of the modification to terminate the affected Service(s) without penalty. Library must provide a 30-day written notice of its termination under this provision to ICOE and CENIC. If Library does not elect to terminate the Service(s), Library must conform to the revised conditions of use. If Library fails to conform to the revised conditions of use, the Services may be subject to termination upon sixty (60) day notice to Library from ICOE or CENIC.
- (b) **CONFLICTING CLAUSES.** If any clause in this Master Agreement is in conflict with a clause in an Addendum to this Agreement, the language in the Addendum shall take precedence only for the service defined in that Addendum.

- (c) FORCE MAJEURE. Neither Party shall be responsible for the performance of its obligations hereunder where prevented, delayed, or hindered by war, riots, embargoes, strikes involving third parties, acts of third-party communications service providers, including any local access provider, or of their vendors, or suppliers unrelated to the services offered under this Agreement, acts of unrelated third parties, accidents, cable cuts by third parties not related to services provided under this Agreement, natural disasters, act(s) of God or any other event beyond the reasonable control of the Parties.
- (d) GOVERNING LAW. The laws of the State of California shall govern this Agreement.
- (e) NON-LIBRARY USES: Library understands that this agreement covers only library use of CalREN and of circuits provided hereunder and Library agrees that no other uses will be made of the services provided herein.

6. Entire Agreement

This Agreement and any Addenda contemporaneously or subsequently executed by the parties constitute the entire Agreement between the parties regarding the subject matter of this Agreement and supersede all prior written or oral agreements with respect to such. This Agreement may not be modified orally, and no modification or amendment shall be binding unless in writing and signed by authorized representatives of both parties.

7. General Provisions

7.1 Nondiscrimination: During the performance of this Agreement,

- (a) ICOE and its subcontractors shall not deny the Agreement's benefits to any person on the basis of religion, color, ethnic group identification, sex, age, physical or mental disability, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, marital status, age (over 40) or sex.
- (b) ICOE shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.

7.2 Severability: It is expressly agreed and understood by the Parties hereto that if any provision of this Agreement is held to be or invalid under any applicable statute or rule of law, it is deemed to that extent to be omitted. However, the balance of the Agreement shall remain in full force and effect.

7.3 Rights and Remedies: The rights and remedies of the Parties provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law.

7.4 Prior Agreements: The Library agrees that any prior agreements entered between any entity that previously served as the Broadband Administrator and the Library for the purpose of participating in the CENIC E-Rate Consortium or receiving services pursuant to that program have been terminated.

8. Indemnification

Library agrees to indemnify, defend and save harmless ICOE, its officers, agents, and employees from any and all claims, losses, and liabilities accruing or resulting to ICOE and any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Library in the performance of this Agreement, but only in proportion to and in the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of Library, its officers, agents, or employees. ICOE agrees to indemnify, defend,

and save harmless Library, its trustees, officers, agents, and employees from any and all liabilities accruing or resulting to Library and any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by ICOE in the performance of this Agreement, but only in proportion to and in the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of ICOE, its officers, agents, or employees.

9. Insurance

- (a) Each party shall obtain, pay for, and maintain in effect during the life of this Agreement a Commercial General Liability insurance policy that includes coverage for Premises Operations, Products/Completed Operations, Contractual, Independent Contractors, Broad Form Property Damage, and Personal Injury; with a minimum combined single limit of not less than \$1,000,000 for Bodily Injury and Property Damage (each occurrence) and a \$2,000,000 aggregate.
- (b) Nothing in this Insurance section shall reduce a party's liabilities or obligations under the Indemnification section of this Agreement.
- (c) The Parties acknowledge that ICOE is permissibly self-insured under California law.
- (d) Upon request, each Party shall provide proof of insurance to the other Party.
- (e) Library will be named as additional insured.
- (f) Each party shall obtain, pay for, and maintain in effect during the life of this Agreement workers compensation coverage as required by California Law. This requirement may be met with a combination of insurance and/or self-insurance. A waiver of subrogation will apply to workers' compensation coverage.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective duly authorized representatives.

Appendix #1
Provision, Installation, and Maintenance
Of Advanced Network (Data) Services:
Reimbursement of Circuit Costs

This Appendix lists the circuits contracted for by CENIC on behalf of ICOE and the Library for connecting CENIC's fiber optic backbone to the Library and for library connections that are not direct connections to CENIC's fiber optic backbone, e.g., direct connections between libraries (defined as "Services" in the Agreement). Library understands that CENIC will bill ICOE, and ICOE will bill Library for the costs of circuits charged by network service providers, including any taxes and surcharges and any one-time installation fees. Prior to approval of CENIC's E-rate Consortium Library Application, not all applicable E-rate and CTF discounts will be reflected on invoices. After the E-rate Application for any given year is approved, the network service provider will coordinate with CENIC to provide appropriate credits and such credits will be passed from CENIC to ICOE and from ICOE to the Library. Such credits are typically issued sometime during the fiscal year after the year in which the circuits are installed, and Services are first provided. In subsequent years, credits continue to be issued in the fiscal year after the year for which Services have been provided. Library further understands that the exact discounted cost of circuits will not be known until after the E-rate Consortium Library Application is approved. The actual start date of the Service, and therefore of circuit costs, will depend on coordination among CENIC, the Library, and the network service provider. Any one-time (Non-recurring or NRC) costs included below are typically invoiced by carriers prior to circuit installation and will be invoiced to the Library upon receipt of the invoice to CENIC from the network service provider.

Items to Consider While Reviewing Quotes

- Pricing does **NOT** include applicable taxes, surcharges, and fees. These costs may vary and will be included in invoices at CENIC's *actual* cost.
- If an Out of Band line is required, Associate must provide a phone line for OOB or allow CENIC to order one and be reimbursed for both the one-time installation and ongoing monthly recurring costs.
- Annual Recurring Costs (ARC) items are invoiced annually.
- Non-Recurring Costs (NRC) items are one-time costs billed upon execution of contract.
- Monthly Recurring Costs (MRC) items are billed quarterly, first billing will occur after handoff.
 - E-rate discount: percent discount indicated is an estimate based on data available at the time the quote was generated.
 - Actual discount percentage will be identified by USAC at a later point. E-rate and CTF reimbursements are dependent upon the continued funding of these programs. CENIC/Broadband Access Administrator cannot guarantee the E-rate and CTF discounts, and these discounts are subject to change. E-rate % noted is based on current FY estimate and CTF is a 50% discount of the remaining cost after E-rate has been applied.
 - Due to the consortial nature of CENIC's E-rate application, the E-rate discount level may not be finalized until next Spring of the following year (late March or early April).
- E-rate Costs may take up to 18 months to activate due to USAC processing time. Please budget for the full undiscounted costs for the initial period.
