Note, this list is not inclusive of all the activities required of the Tehama County Probation JDF to be in compliance with this initiative, but instead outlines the youth focused activities. For example, there are many administrative responsibilities required by the state of the JDF, for example securing a facility NPI and arranging for professional-to-professional warm handoffs, which are not listed. Additionally, all of the below activities must be completed within the timeframes required by DHCS.

- ii. Convene and facilitate a reentry planning meeting 45-30 days in advance of the youth's anticipated release. This meeting should include, when feasible, the youth, family/guardian, JDF health care providers, JDF educational team, Modoc Probation's assigned officer, assigned enhanced care manager (ECM), and others deemed necessary to support the youth's reentry. This meeting can be in-person, virtual or hybrid.
