**EMBLEMS CONTRACT ADDENDUM**

I understand that it is Cintas policy to place name and company emblems on all rented uniform shirts, coveralls and jackets. It has been explained to me and I agree, that if I elect not to have name and/or company emblems applied to my company's uniform shirts that in the case of wear upgrades, replacements, etc. it is acceptable to use garments from inventory with color-matched patches in place of a name and company emblem. I have been shown an example of a uniform shirt with a color-matched patch applied and agree that it meets my expectations of image and quality standards.

All other terms and provisions of said contract shall remain in full force and effect. Signed on:
