DATE: 5/22/2025

DEPARTMENT: Road

REQUESTED BY: Will Pike

TITLE: Interim Director

PROPOSED ACQUISITION: (1) 2020 model year Weiler P385B Asphalt Paver

REQUESTED ACTIONS BY THE BOARD OF SUPERVISORS:

- a) Request to adopt the finding(s) as indicated below  
b) Request to find it in the best interest of the County to waive the formal bid process for the acquisition based on the finding(s)

*When requesting waiver of the bidding process, the written request shall include finding(s) which indicate that bidding procedures would not be in the best interest of the people -- Tehama County Code Section 4.24.080*

Check applicable finding(s):

☒ **Sole Source Acquisition:** Based on a finding declaring the vendor as the sole supplier who could feasibly supply the equipment or products needed by the Department.

☐ **Participation In Existing Bid:**  
Based on the finding that the existing bid meets all Tehama County Bidding Criteria and allows the County to take advantage of special low pricing without the time and expense involved with conducting a formal bid process.

☐ **Compatibility:** Based on the finding that the acquisition of a specific type or brand of product is required by the County in order to allow for full integration with existing equipment or facilities.  
**Explain:**

☒ **Other, List Finding(s):**  
It is in the best interest of the County to purchase this used equipment at a substantial savings over that of a new paver.

**Additional Justification:**

The used asphalt paver would be replacing a 1999 model year paver that no longer meets the California Air Resources Board (CARB) requirements. This used paver is a piece of specialty equipment that is not often available for purchase in our area and meets the needs of the Department at a substantial savings over a new model year.
