funding received by a one percent tax on personal incomes in excess of \$1 million. Counties use this funding for projects and programs for prevention and early intervention, community services and supports, workforce development and training, innovation, plus capital facilities and technological needs through mental health projects and programs. The State Controller distributes MHS Funds to the counties to plan for and provide mental health programs and other related activities outlined in a county's three-year program and expenditure plan or annual update. MHS Funds are distributed by the State Controller's Office to the counties on a monthly basis.

DHCS shall monitor County's use of MHS Funds to ensure that the County meets the MHSA and MHS Fund requirements. (Gov. Code §§ 11180-11182; Welf. & Inst. Code, §§ 5651, subd. (b)(10), 5897, subd. (d), & 14124.2, subd. (a).)

2) Issue Resolution Process

County shall have an Issue Resolution Process (Process) to handle client disputes related to the provision of their mental health services. The Process shall be completed in an expedient and appropriate manner. County shall develop a log to record issues submitted as part of the Process. The log shall contain the date the issue was received; a brief synopsis of the issue; the final issue resolution outcome; and the date the final issue resolution was reached.

The RER shall be certified by the County's Behavioral Health Director (also referred to as "mental health director"), using the DHCS-issued certification form (DHCS Form 1820). Data submitted shall be full and complete. If the RER does not meet the requirements, in accordance with the procedure in section 9 of this Agreement, DHCS may withhold payments from the MHS Fund until the County submits a complete RER.
