

*The following list was generated from a database of firms authorized to sell seed in your county during the present fiscal year. This list was compared to last year's list but there may be corrections, deletions, or additions that you would like to make. Please review the list and make corrections on this form and return a copy to the Seed Services Program. If no changes are sent to the Seed Services Program, this list will serve as the benchmark to determine your county's performance and subsequent apportionment of seed subvention funds for the contracted fiscal year. You may wish to contact firms that did not renew so you can recapture those units.*
