

November 9, 2023

There was one question submitted by the specified date and time detailed in the Request for Proposals (RFP). This document is the published Q&A with Tehama County's response to the question. It can be found on the County's website at www.tehamacohealthservices.net.

1. Question: Is there a building already in mind for this project or do we need to secure one?
 - a. Answer: The respondent would need to secure a site for a proposed navigation center. Proposals must detail the form of site control the respondent has for the site in order to be accepted and scored. In other words, at the time of submittal, respondents need to have site control. References to the site control threshold requirement can be found in the RFP in sections C. Intent on page 2, H.2. Minimum Qualifications on page 13, I.1. Content on page 14, and J.1. Selection Criteria on page 17.
