Dear Sheriff David Kain,

I hope this message finds you well.

As a courtesy, Motorola Solutions, Inc. ("Motorola Solutions") would like to remind you that the Tehama County Sheriff's Dispatch Console Upgrade proposal is set to expire on March 20, 2025—90 days from the proposal date of December 20, 2024. If the proposal is allowed to lapse, Motorola Solutions and Day Wireless Systems would be required to reissue a new quote. Please note that any new proposal would be subject to Motorola Solutions' January 1, 2025, price adjustments, as well as increased labor costs, which may result in a significant price difference.

In a gesture of goodwill, Motorola Solutions has extended the current proposal expiration date to March 31, 2025.

If you have any questions or require further information, please feel free to reach out to me or Matt Weinberger from Day Wireless Systems.

Sincerely,

Gordon Poole
