Subject: Request for Removal from Sanctuary Jurisdiction Listings – Tehama County, CA

Secretary Noem,

On behalf of the Tehama County Board of Supervisors, I am writing to respectfully notify the Department of Homeland Security (DHS) that Tehama County, California, is not a sanctuary jurisdiction and to request that any federal listings or references that suggest otherwise be updated accordingly.

In 2017, during President Donald J. Trump's first term in office, the Tehama County Board of Supervisors passed Resolution No. 2017-16, formally declaring that Tehama County is not a sanctuary county. This resolution reaffirmed our commitment to complying with all applicable federal laws and to cooperating with federal immigration enforcement agencies within the bounds of state and federal regulations.

It has come to our attention that Tehama County may still be identified or classified as a sanctuary jurisdiction. We request that DHS review any such listings or references and update its records to reflect our accurate status.

Attached to this letter is a certified copy of Resolution No. 2017-16 for your review. If you require any additional documentation or further information, please do not hesitate to contact our office.

We appreciate your time and attention to this important matter.

Sincerely,

Matt Hansen
Tehama County Board of Supervisors, Chair
