FUTURE AGENDA ITEMS

Future Agenda Items is an opportunity for a Board member to present a topic to the full Board and County Departments and allow the Board to express majority that staff should be directed to address the issue and bring it back to the full Board as an agendized matter. This is not a time for the Board to address the merits or express their opinions on the issue but solely to decide if staff should expend resources in researching and preparing documents for consideration at a public board meeting. More complex issues may result in a future study session.
