#### **Item IV**

Rick Lara and Jeff Godwin presented on behalf of the City of Red Bluff. Jeff Godwin said the Red Bluff River Park is the main concern. Three security surveillance towers are being placed in the park for a 3-month trial because of the increasing risk and large volumes of graffiti, vandalism and hypodermic needles in the park. There has been \$20,000 of repairs to the bathrooms for broken windows, doors, paint, etc. from 2022 to present. The towers are mobile and can be moved to the problem areas, alerts will go out when an issue arises. The City of Red Bluff donated funds for the 3-month trial and if it is successful there will be the possibility of purchasing a tower at that point.

Rick Lara and Jeff Godwin were asking for consideration to help the City of Red Bluff purchase one of the security surveillance towers or help pay to extend the trial if needed. If the 3-month trial goes well it would cost \$30,000 to purchase a tower or \$1799.00 to rent for a month. They were also looking to possibly get help with Personal Protective Equipment (PPE) for the workers cleaning up the area, paint, etc.

Dave Kain said he would have Lt. Andy Houghtby contact Rick and Jeff regarding the PPE because he runs the Military Surplus Program and he would probably be able to help out with some of their needs in that area.

The board told Rick and Jeff the City of Red Bluff already designated the money for 3 security surveillance cameras for a 3-month trial. At the end of the 3-month trial bring an update on the program and the ADAG board could possibly vote to help with an extension to the trial if needed or possibly help purchase a security surveillance tower.

This agenda item is tabled until the end of the 3-month period and the City of Red Bluff brings an update back to the ADAG Board.

It will be put into operation in approximately 4 to 6 weeks.

Rob Duarte made a motion for Greg Ulloa to donate \$20,000 to Tehama County Sheriff’s Office Helicopter Program. Matt Rogers seconded the vote. The vote was unanimous. The vote carried.
