Senate Bill No. 498, approved by the Governor of California on September 16, 1987, required the establishment of a social services transportation advisory council to serve as an advisory body regarding the transit needs of transit dependent and transit disadvantaged persons, including the elderly, handicapped and persons of limited means. Tehama County Regional Transportation Planning Agency established the Social Services Transportation Advisory Council (SSTAC) in accordance with Public Utilities Code (PUC) Section 99238 of the Transportation Development Act (TDA). As required by TDA, the SSTAC shall consists of the following members:

Please request to represent (check one):

One (1) representative of potential transit users who is age 60 years or older

One (1) representative of potential transit users who are handicapped

One (1) representatives of the local social service providers for seniors, including one representative of a social service transportation provider, if one exists;

One (1) representatives of local social service providers for the disabled, including one representative of a social service transportation provider

One (1) representative from the local consolidated transportation service agency, designated pursuant to subdivision (a) of Section 15975 of the Government Code, including one representative from an operator.

Describe why you wish to serve as a member on the Social Services Transportation Advisory Council.
(Use additional space if needed)

Provide any additional information you believe will be helpful during the applicant review process.

I am interested in serving on the Social Services Transportation Advisory Council because I am passionate about improving access to transportation for vulnerable and underserved populations within our community. Reliable transportation is essential for individuals and families to access employment, healthcare, education, housing services, and other critical resources that support stability and self-sufficiency.

Through my work at PATH, I have witnessed firsthand the challenges that individuals experiencing homelessness, low-income families, seniors, veterans, and persons with disabilities face when transportation options are limited or unavailable. These barriers often prevent people from attending medical appointments, maintaining employment, participating in community programs, and accessing essential support services.

Thank you,

A handwritten signature in blue ink that reads "Jimmy Rolson". The signature is fluid and cursive, with the first name "Jimmy" and last name "Rolson" clearly legible.
